Olson reviewed feedback from the City of Nevada input session. Discussion took place. Heddens asked about additional paving needed. Moon stated DOT will build frontage roads that Story County will have to maintain. Moon stated the County's preferred alternative is two interchanges: one at 600th Avenue and one at 6th Street. MEMORANDUM

To: All Judicial Branch Personnel

From: Todd Nuccio
State Court Administrator

Subject: Fiscal Year 2021 Judicial Branch Budget

Date: June 30, 2020

Let me begin by expressing my appreciation for the efforts each of you have made in providing access to the courts while mitigating the spread of Covid-19 during the past four months. Thank you for maintaining access to justice throughout the state for Iowans who need the protections provided by their court system. Thank you as well for your flexibility in continuously adapting to a fluid environment and for embracing the technology required to continue delivering justice through remote proceedings. I also want to say thank you for the input and guidance that has been offered as we cautiously prepare to resume face-to-face court services this summer and into the fall.

For the 2021 Fiscal Year beginning July 1, the Iowa Legislature has passed and the governor has signed an appropriations bill allocating \$180,023,737 to the judicial branch. This amount is \$500,000 less than the amount we received last fiscal year. With this action, the supreme court has now approved a judicial branch spending plan for the next twelve months. The plan provides for a 2.1% salary increase for all nonjudicial officer employees and should allow us to avoid court closure days. To balance the budget, the judicial branch will maintain the hiring freeze on current vacant positions and hold open new vacancies for at least 90 days. The judicial branch will also hold open all judicial officer vacancies occurring during fiscal year 2021 for at least 90 days and restrict travel for the next six months.

As you are aware, a large number of cases were postponed due to the pandemic. It is clear that we will be facing a large backlog when the new fiscal year begins. We also know that once face-to-face procedures recommence, the new scheduling process implemented to allow for social distancing will slow the daily process of hearing cases. The backlog and slower pace combined with the reduced budget will make the year challenging for everyone using our services. Patience will be required by parties and others as these cases work through the courts.

Please know that your safety and the safety of everyone using the courts remains our top priority. We will continue to carefully monitor the public health situation and balance the need to take measures to reduce the spread of the virus with our commitment to conduct business as necessary. As we all prepare for the many challenges ahead, you can be certain that the judicial branch supports and appreciates you and your work and will continue to do everything possible to ensure a safe resumption of face-to-face services.

RECOMMENDATION FOR GRANTING OF SURPLUS STORY COUNTY RADIO EQUIPMENT

On June 19, 2020, the Story County Board of Supervisors approved sending an announcement to local Story County Jurisdictions to invite them to apply for surplus radio equipment purchased by Story County for use with the StoryComm public safety communication system.

Four applications were received by the July 15 deadline. A review committee consisting of Captain Nicholas Lennie and Commander Dina McKenna of the Story County Sheriff's Office, and Deputy Fire Chief Tom Hackett of the Ames Fire Department, recommended that the requests be filled as follows:

Table with 3 columns: Agency, Requested, Recommendation. Rows include Zearing Fire Department, Maxwell Fire and EMS Department, Gilbert/Franklin Fire Department, and Westory Fire Agency, Kelley.

*Because we have only two (2) mobile radios to disburse, all were in favor of granting Westory the two available mobile radios and two portable radios. The Fire Chief was contacted to determine that this would be helpful to them, and he assured us it would be.

It is recommended to the Board of Supervisors that these radios be granted to the agencies listed above, with the following conditions:

- 1. Any radios the agency receives from Story County will be placed in active use, and the agency will pay the monthly StoryComm subscriber fees and annual maintenance fees from their budget.
2. If at any point, the agency is no longer actively using any of these radios, it will notify the Story County Board of Supervisors and return the equipment if requested.

It is also recommended that the announcement be re-issued later in the year if we identify additional surplus radio equipment.

Re: Unbudgeted Request for Software

Our office has been notified of being a potential grant recipient for new county attorney software through ICACMP, Iowa County Attorney's Case Management Program. This new software is web-based and would replace our current server based software, Prolaw.

ICACMP was informed of a COVID-19 grant opportunity but they needed a local attorney's office to assist in submitting the grant. A month ago, Julie Erickson worked with Jessica Trobough, Iowa County Attorney's Case Management Program, to write the grant and submit it. Last week, ICACMP was notified that the grant was approved! This grant, \$200,000, will be controlled by ICACMP and will be disseminated throughout the State of Iowa to various County Attorney offices. This grant money will only be available for use in FY21.

Since we assisted with the grant writing, ICACMP is offering our office \$40,000 toward the cost of the new software. This would leave a balance of approximately \$60,000 to get it up and going for our office, which was not in our FY21 budget.

At this time I am requesting an unbudgeted amount of \$60,000 toward the purchase of Karpel.

RE: Cyclones Care Campaign
DATE: July 27, 2020

In response to COVID-19, Iowa State University developed the “Cyclones Care” campaign and shared materials with entities throughout Story County. Cyclones Care focuses around four pillars of healthy behavior. Developed by Iowa State communicators with input from experts on behavioral change, accessibility, and diversity, Cyclones Care promotes responsible decision-making to reduce COVID-19 transmission. The four pillars include:

1. Wear a face covering
2. Maintain physical distancing of 6 feet or greater
3. Wash/sanitize your hands frequently
4. Stay home if you’re sick

The campaign includes informational posters, signage, social media posts, articles/news items, “how to” information, and more.

Susan Gwiasda with the City of Ames identified areas for input for Story County (and other entities) to promote the campaign in a coordinated fashion. These include:

- Paid Advertising - bus boards, print ads, radio, and similar means of advertising.
- Usage of Communications Tools – billboards, newsletters email lists and related areas.
- SHARE the Cyclones Care campaign with others.

In addition, she has requested financial contribution to go towards the effort. The item is scheduled for the Ames City Council meeting on Tuesday, July 28, 2020 – [here is the link to the Council Action Form](#). If needed, Susan may be able to attend the Board of Supervisors (via Zoom) as well on July 28th to answer any additional questions.

Earlier this summer, the Board of Supervisors identified funding for the court re-opening outreach, allocating up to \$1,500 as needed. Portions of that funding may be available to apply towards this coordinated campaign.

VISIT LIVE WORK BUILD

Welcome Home ISU Students!

It is well known that the student body of Iowa State University makes up nearly half of our population. These students are shopping at our local boutiques, dining at our one-of-a-kind restaurants, and investing in our community. Their economic impact is essential for Story County's success. It's up to us to make them feel welcome, and share with them the new expectations of our community.

At the Ames Chamber, we are working on a new **"Welcome Home"** campaign to show our students we recognize their impact, and we're glad they have returned. One small part of this campaign includes our staff, boards, ambassadors, and volunteers delivering welcome home posters to all our members and businesses in Ames. Included on this poster is the **Cyclones Care** messaging from Iowa State University. While we want our students to feel like they have returned (or arrived for the first time) home, it is our responsibility to help them understand their behavior will impact the next several months.

Spreading the healthy habit message isn't the only part of this campaign. This is also built to help bring us together as a community and make us feel as one again. Story County has been distancing since March. It's difficult to be away from loved ones for so long. This campaign hopes to bring everyone together and spread positivity throughout the county.

Please join us in welcoming the students back to Ames by decorating your store fronts, sharing your excitement on social media, wearing cardinal and gold, or in a new creative way we haven't yet discovered. Whatever you do, **use the tag #StoryCountyStrong so we can reshare and amplify your message.**

For Community Members

Cyclone Spirit

Break out the cardinal and gold and be sure to say hi as you see students around the community.

"Cy Hunts"

Remember the bear hunts from this spring? Let's bring them back with an Iowa State twist! Hang a picture of Cy in your window and see how many you can find around town.

For Businesses

Window Displays

Channel your creativity and welcome students home with a window display! This is a fun and easy way to invite students and other community members into your business while promoting unity and Cyclone Spirit!

Banners

A "Welcome Home" banner will greet students on Main Street this month. We encourage others to use space to display the "Welcome Home" message around town! [Click here to see a list of printers](#) who would be able to help you create a banner of your own.

Signage

Greet students with a "Welcome Home" sign that also features the four healthy behaviors emphasized in the Cyclones Care campaign. Additional signage is available through Cyclone Cares. Most signs are standard 8.5" x 11" in size and some are editable so that each organization can list their specific contact information and requirements.

STRATEGIC PLAN

STORY COUNTY, IOWA

FISCAL YEARS 2019—2023

Our mission is...

Engaging our diverse communities to responsibly provide quality opportunities and services that matter.

STRATEGIC PLAN

Introduction 1

Challenges 2

Values 3

Goals 4

Action Plan 5

As a comprehensive plan prepares Story County for future growth and development, a county's Strategic Plan helps identify and prioritize the specific projects that will assist the County to reach its ultimate destination. These projects do not happen overnight, nor are they accomplished by one person. Careful planning and consideration should be given to each. The County should rely on staff, appointed officials, elected officials, community groups, and other organizations to help achieve these identified priority projects for the benefit of the entire county.

The Story County Strategic Plan identifies the top five (5) goals of the County and list objectives, tasks or action steps, timelines, responsible groups/agencies, potential resources, and measurable outputs for each goal. The intent of the projects or goals is to maintain and further enhance the quality of life and economic vitality for Story County residents. This Strategic Plan, adopted by the Story County Board of Supervisors in October 2018, guides decisions through Fiscal Year 2023 (ending June 30, 2023.)

This Strategic Plan identifies specific programs and policies towards which staff time and resources will be dedicated to achieve their successful implementation. The Plan serves as a communication tool between citizens and county government. Reviewed annually, the Plan is edited as needed in response to changing priorities, new funding opportunities, and highlighting project accomplishments.

The Strategic Plan is guided by the foundational principle that decisions are carried out in a sound budgetary and fiscally-prudent manner. Story County is committed to high standards of quality service, respectful engagement, and responsible resource management. Every aspect of the Story County Strategic Plan serves to fulfill these standards.

PLANNING PROCESS

JEO Consulting Group facilitated the planning process with assistance from Story County staff members. The first round of input was solicited through an internal survey of key staff members, elected officials, and County Board and Commission members. These stakeholders were asked to complete this survey via Survey Monkey to share thoughts on their office or department as well as County operations overall. A total of 19 staff members, elected officials, and Board and Commission members completed this survey.

The survey findings were then categorized by topic area and reviewed by the Board of Supervisors as well as the Director of Internal Operations and Human Resources and the Director of External Operations and County Services. Each hour-long interview with these individuals helped clarify the context of the survey feedback while offering an opportunity to share their own strategic priorities for Story County.

From these interviews, JEO was able to consolidate the many priorities identified and establish action steps for each one. Further refining of these issues was performed through an internal review process with Story County staff. The final plan as presented in this document was the result of further refinement by the consultant team, Story County staff, elected officials, and the Board of Supervisors.

STRATEGIC PLAN

Introduction 1

Challenges 2

Values 3

Goals 4

Action Plan 5

This Strategic Plan is intended to guide and strengthen the County's ability to address public investments in economic development, workforce, quality of life amenities, county services, and community needs. The following challenges were identified through the Strategic Planning process.

INTERNAL CHALLENGES

- Sustain a competitive wage and benefit package for current and future employees.
- Implement security and safety measures for public County buildings.
- Continue to update technology.
- Continue to make all public data available on the County website and the Beacon website, an online portal to access maps, real estate data, and tax information.

EXTERNAL CHALLENGES

- Influences on water quality and addressing the Iowa Nutrient Reduction Strategy, conservation practices on agricultural land, watershed education, and septic systems.
- Stagnant transportation funding with higher costs.
- Changes in State/Federal funding.
- Recreational opportunity demand.
- Sustainable funding for conservation (IWILL).

By identifying these challenges—both internal and external— County stakeholders can develop projects and initiatives that allow decision-makers to focus energies and resources for maximum public benefit. These help frame the objectives that logically carry forth into identified projects.

COUNTY OPERATIONS

Story County exists to serve its citizens. For this reason, all County operations – whether internal or external, present or future – must function as effectively and efficiently as possible. The objectives in this section strive to enhance the delivery of County services.

FACILITIES & INFRASTRUCTURE

Story County residents benefit from having an efficient transportation network and bridges with appropriate roadways for traffic patterns and behaviors. Not only is it how residents move about Story County, it is how the County attracts economic development opportunities to build and maintain a strong economy. Furthermore, Story County is committed to ongoing investment in its facilities and infrastructure systems to better serve the public and provide a sense of pride for staff and citizens. Story County must continue to be fiscally-responsible while financially supporting the ongoing needs to maintain and improve public facilities and infrastructure systems.

TECHNOLOGY

Technology is the heart of how Story County efficiently serves its citizens. As technology changes rapidly, the expectations on how the County delivers services must change accordingly. Story County will continue to plan its technological and related infrastructure needs over the next five years.

POLICY & REGULATIONS

Story County has long been a leader in looking towards regulations and policies that actively promote alternate ways of accomplishing goals - not just writing static black and white words on a page, but instead enforcing ordinances that accomplish the goal. Story County will continue that practice to address valid concerns as they arise. Over the next five years, Story County will comprehensively audit regulations and policies to ensure the values defined in the C2C Plan are achievable and not at odds with what is currently being implemented.

STRATEGIC PLAN

Introduction 1

Challenges 2

Values 3

Goals 4

Action Plan 5

Over the next few pages, specific action steps are identified that serve to guide progress towards the goals and increase efficiency and accountability within Story County.

The Action Plan is organized by a "Targeted Goal" followed by "Objectives" to achieve that goal. "Action Steps" for each Objective, are outlined. In addition, all Offices and Departments involved are identified, and priorities are assigned to the Action Step. If "Additional Partners" (beyond Story County offices and departments) are identified, those are listed as well.

As outlined in the Code of Iowa, the Board of Supervisors:

- Serves as the executive branch of county government.
- Are the policy makers for the county and administer the various county programs, including reviewing budget requests, appropriating funds, establishing county tax levies, enacting ordinances, filling employee vacancies, and hearing reports from county officers.

While the Board plays this unique role and they are the entity to officially adopt this Strategic Plan, the overall success of this Plan requires the continual involvement of all elected officials and departments in the process. The steps to achieve success only begin with this Plan's adoption. It is imperative that projects are brought forth through the budgeting and capital improvements planning processes.

MEMORANDUM

TO: Story County Board of Supervisors
FROM: Jerry L. Moore, Planning and Development Director and Ethan Anderson, Assistant County Attorney
RE: Peter Gillin financial assistance request for costs to remove four mobile homes at Hickory Grove Mobile Home Park, 2279 E 190th Street, Milford Township

DATE OF MEETING: July 28, 2020

Background

Mr. Peter Gillin, owner of the Hickory Grove Mobile Home Park, 2279 E 190th Street was ordered by the Iowa District Court on July 18, 2019 to get the total number of mobile homes at the park down from 38 to 34 by August 1, 2020.

On May 6, 2020, Mr. Gillin sent Ethan Anderson, Assistant County Attorney and I an email explaining that he was working on removing the mobile homes, however it was a complicated and expensive process with numerous Iowa Department of Natural Resource environmental requirements and he asked if Story County could assist financially in paying for the demolition of four mobile homes.

I responded and informed Mr. Gillin to put his request in writing with details and that we would place the item on the Board of Supervisor's future agenda. Mr. Gillin responded in writing on July 1, 2020. A copy of his letter was down loaded to the Agenda Center. Mr. Gillin identifies expenses of \$12,300 that he would like the County to assist with. Mr. Gillin also identifies expenses of \$45,000 for legal services and septic system upgrades. It is not clear if Mr. Gillin is also requesting financial assistance for these expenses.

Mr. Gillin is planning on participating in the meeting on July 28, 2020. This is an Additional Item for discussion and consideration.

Recommendation

Story County Land Development Regulations are found in Chapters 85-93 of the Story County Code of Ordinances. Chapter 93 sets out the enforcement procedures, requiring the County to seek voluntary compliance prior to the exercise of any other remedy. When reasonable efforts fail or are exhausted a County employee is authorized to enforce the regulations through citation. This matter has a long history of attempted voluntary good faith discussions to resolve the matter, when it became apparent that court intervention would be necessary to resolve the dispute between the parties, this was litigated to the Supreme Court of Iowa. The County prevailed. With the knowledge that there is frequent turnover at Hickory Grove Mobile Home Park, the County agreed to allow almost an entire year from July 18, 2019 to August 2020 to remove the noncompliant trailers. This was to allow for natural attrition at the Park, avoiding and mitigating the need for Hickory Grove to evict tenants.

We recommend that the Story County Board of Supervisors decline to assist the owner of Hickory Grove Mobile Home Park with the costs and/or expenses incurred as a result of its founded violation of County Land Development Regulations.

Re: Financial Assistance for costs of removing trailers

Dear Jerry,
 Thank-you for your email dated May 29th, 2020 inviting Hickory Grove Court to apply for financial assistance to remove trailers from Hickory Grove Court. I appreciate the kind gesture and I would like to provide you with the exact costs associated with removing the trailers.

I have found a well-qualified mobile home mover, Mark Trouts, of Wintergreen. He will be moving the homes this month. Below, please find a breakout of the approximate costs:

Hickory Grove Court, Home Moving Expenses				
Item	Vendor	Expense	Date of Completion	Notes
Purchase of Trailer Hitches	John Miewald	\$ 800	5-27-2020	Purchase of Trailer hitches for three homes
Home Removal #20	Trout Mobile Home Service	\$ 2,600	July, 2020	Removal of mobile home.
Home Removal #36	Trout Mobile Home Service	\$ 2,600	July, 2020	Removal of mobile home.
Home Removal #12	Trout Mobile Home Service	\$ 2,900	July, 2020	Removal of mobile home.
Home Removal #15	Trout Mobile Home Service	\$ 2,600	July, 2020	Removal of mobile home.
Deck Removals (trailers 12, 15, 20 & 36)	Wayne Morwitzer	\$ 800	July, 2020	Removal of decks & prep for removal.
Total		\$ 12,300		

The total cost of \$12,300 exceeds my and the mobile home parks ability to pay. Unfortunately, the property does not generate sufficient income to cover this and other expenses. For example, the legal costs associated with the Story County lawsuit were \$30,000 and the property had septic system upgrades last year of \$45,000.

Bottom line, there is no money to pay for this and I would appreciate the financial assistance of the County.

I really appreciate your kind offer, Peter

Peter
 Have a great Fourth of July, Peter
