Narrative

On 11/07/13 at approximately 1130 hours, a two vehicle accident was reported to Story County Dispatch at Lincoln Highway and 500th Avenue. Injuries were unknown at the time. I arrived on scene at approximately 1140 hours and made contact with several witnesses and Boone County Sheriff's Deputies. An investigation at the scene revealed that vehicle 1, a Chevy Silverado, with registration G0798J through Michigan, was driven by Ron Lee Downey Jr. Downey was driving southbound on 500th Ave when he failed to stop for a stop sign at Lincoln Highway and struck vehicle 2. Vehicle 2 was a Chevy Blazer with registration 274YBE. The Blazer was driven by Joshua Lee Peterson and was headed eastbound. Witnesses on scene stated that they believed Peterson was going approximately 55 mph. When Downey struck Peterson's vehicle, both airbags deployed and pushed the vehicle into an Alliant Energy Pole where Peterson was fatally wounded. Peterson remained trapped in the vehicle with his seatbelt on when I arrived on scene. Also when I arrived on scene, Ron Downey was laying on the ground just north of where his vehicle came to rest. The driver airbag had deployed. Peterson stated that he was wearing his seatbelt, but a witness stated that he was ejected. The path of ejection is unknown. He had a visual injury to his head on scene. Mary Greeley Medical Center transported him to a location where he could be Life Flighted to Mercy Medical Center in Des Moines. Iowa State Patrolman 167 met Downey at Mercy and interviewed him and gave him his cell phone that was left on scene. Downey had difficulty remembering anything. The registered owner of the truck he was driving was contacted in reference to the tow. Downey's relatives were also contacted by ISP 167. Both vehicles were towed to an inside facility at Elmquist in Ames. The vehicles are being held for investigation at this time. A Traffic Investigator, Deputy Aaron Kester was on scene to investigate. Damage to the pole was approximately \$10,000 and Alliant workers had to come and cut the pole as well as secure live wires. Peterson's family has been notified. He has been taken to the State Medical Examiner. Our medical examiner came to the scene.
