**Narrative**

Vehicle 1 was exiting from U.S. Highway 30 westbound to U.S. Highway 65 when it lost control.

Vehicle 1 left the roadway, causing the vehicle to lay down, throwing the rider.

The rider sustained significant visible injuries to her head and right hand.

Due to no safety helmet being worn by the rider and the visible injuries sustained, the rider was taken to Mercy Hospital via Mercy One.

**Narrative**

Photographs were taken of the scene.

No insurance information was obtained due to the chaos of the scene and the fast response by both medical personnel and tow service.

The rider had a valid motorcycle operators permit at the time of the accident and was in a visible distance to a licensed motorcycle operator.

The other operators did not see the accident and were alerted to the accident by an oncoming motorist honking at them (left prior to being identified).
