BOARD/STAFF COMMENTS: Mr. Moore gave an update and stated that the YSS appeal has been heard by a judge who ruled the petition challenging the CUP decision was legally sufficient. Our attorneys are now required to submit case related documentation to the judge to consider in response to the Writ. Once the judge has reviewed the documentation, there will be a hearing scheduled for a later date, at which time a decision will be made about the challenge. Brekke asked who was named on the lawsuit. Mr. Moore stated The Board of Adjustment and YSS.

Mr. Moore stated that the Board of Adjustment members and other County staff and officials have been invited to an open house tour of the underground mine at Martin Marietta on September 29, 2017, at 3:00 PM. Food items and cash donations will be accepted to take a tour of the facility. Donations will go to a local nonprofit shelter.
