PUBLIC SERVICE RECOGNITION WEEK

In honor of the millions of public employees at the federal, state, county, and city levels:

Whereas:

Americans are served every single day by public servants at the federal, state, county and city levels. These unsung heroes do the work that keeps our nation working;

Whereas:

Public employees take not only jobs, but oaths;

Whereas:

Many public servants, including military personnel, police officers, firefighters, border patrol officers, embassy employees, health care professionals and others, risk their lives each day in service to the people of the United States and around the world;

Whereas:

Public servants include teachers, doctors and scientists . . . train conductors and astronauts . . . nurses and safety inspectors . . . laborers, computer technicians and social workers . . and countless other occupations. Day in and day out they provide the diverse services demanded by the American people of their government with efficiency and integrity; and

Whereas:

Without these public servants at every level, continuity would be impossible in a democracy that regularly changes its leaders and elected officials;

Therefore:

I, Rick Sanders, Chair of the Story County Board of Supervisors, Story County, Iowa, do hereby announce and proclaim to all citizens and set seal hereto, that May 6-12, 2018, is Public Service Recognition Week. All citizens are encouraged to recognize the accomplishments and contributions of government employees at all levels — federal, state, county and city.

Re: Request for abatement of 2017 taxes on 320. S. 17th St., Ames, IA

Dear Ms. Martin:

I am writing to request forgiveness of property taxes assessed on our church facility in 2017. Harvest Vineyard Church, which I pastor, purchased the south location of Ames Racquet and Fitness Center on January 1, 2017. With our church's expansion into this much larger facility, our vision is to become a community center and one of the best friends Story County has ever known.

It is commonly known the legislature provides tax exemptions in recognition of the benefits received by society from exempt institutions and the consequent lessening of the burden on the government. In addition to our religious services, here is a sampling of programs already in the works at Harvest Vineyard Church:

- Expanding the "We Heart Ames" community outreach event, reaching over 1,000 people.
- Offering professional counseling services for individuals and families.
- Clothing and shoe drives.
- Single mom events, including buying oil changes and personal items for them.
- Supporting low income housing, NAACP, Emergency Residence Project homeless shelter, etc.

We allowed ARFC to use 55.4% of the building through June 30, 2017 while their new building was still under construction. Since July 1, 2017 we've used 100% of the facility. Thus, we're requesting a 44.6% abatement of property taxes for the first half of 2017, and a 100% abatement of property taxes for the second half of 2017.

Further, irrespective of the charitable purposes for granting a tax exemption, we can agree that Story County will receive significant financial benefit from our ARFC transaction. Our purchase of their \$1.450M facility was the catalyst and funding requirement for them to build a new \$10M+ facility, which should substantially increase property tax revenues.

In conclusion, please review our request to have our 2017 property taxes abated as discussed. Thank you for your consideration.

Respectively,

Joshua Miller
Pastor
