

The Lost Acorns (Tune: My Bonnie Lies Over the Ocean)

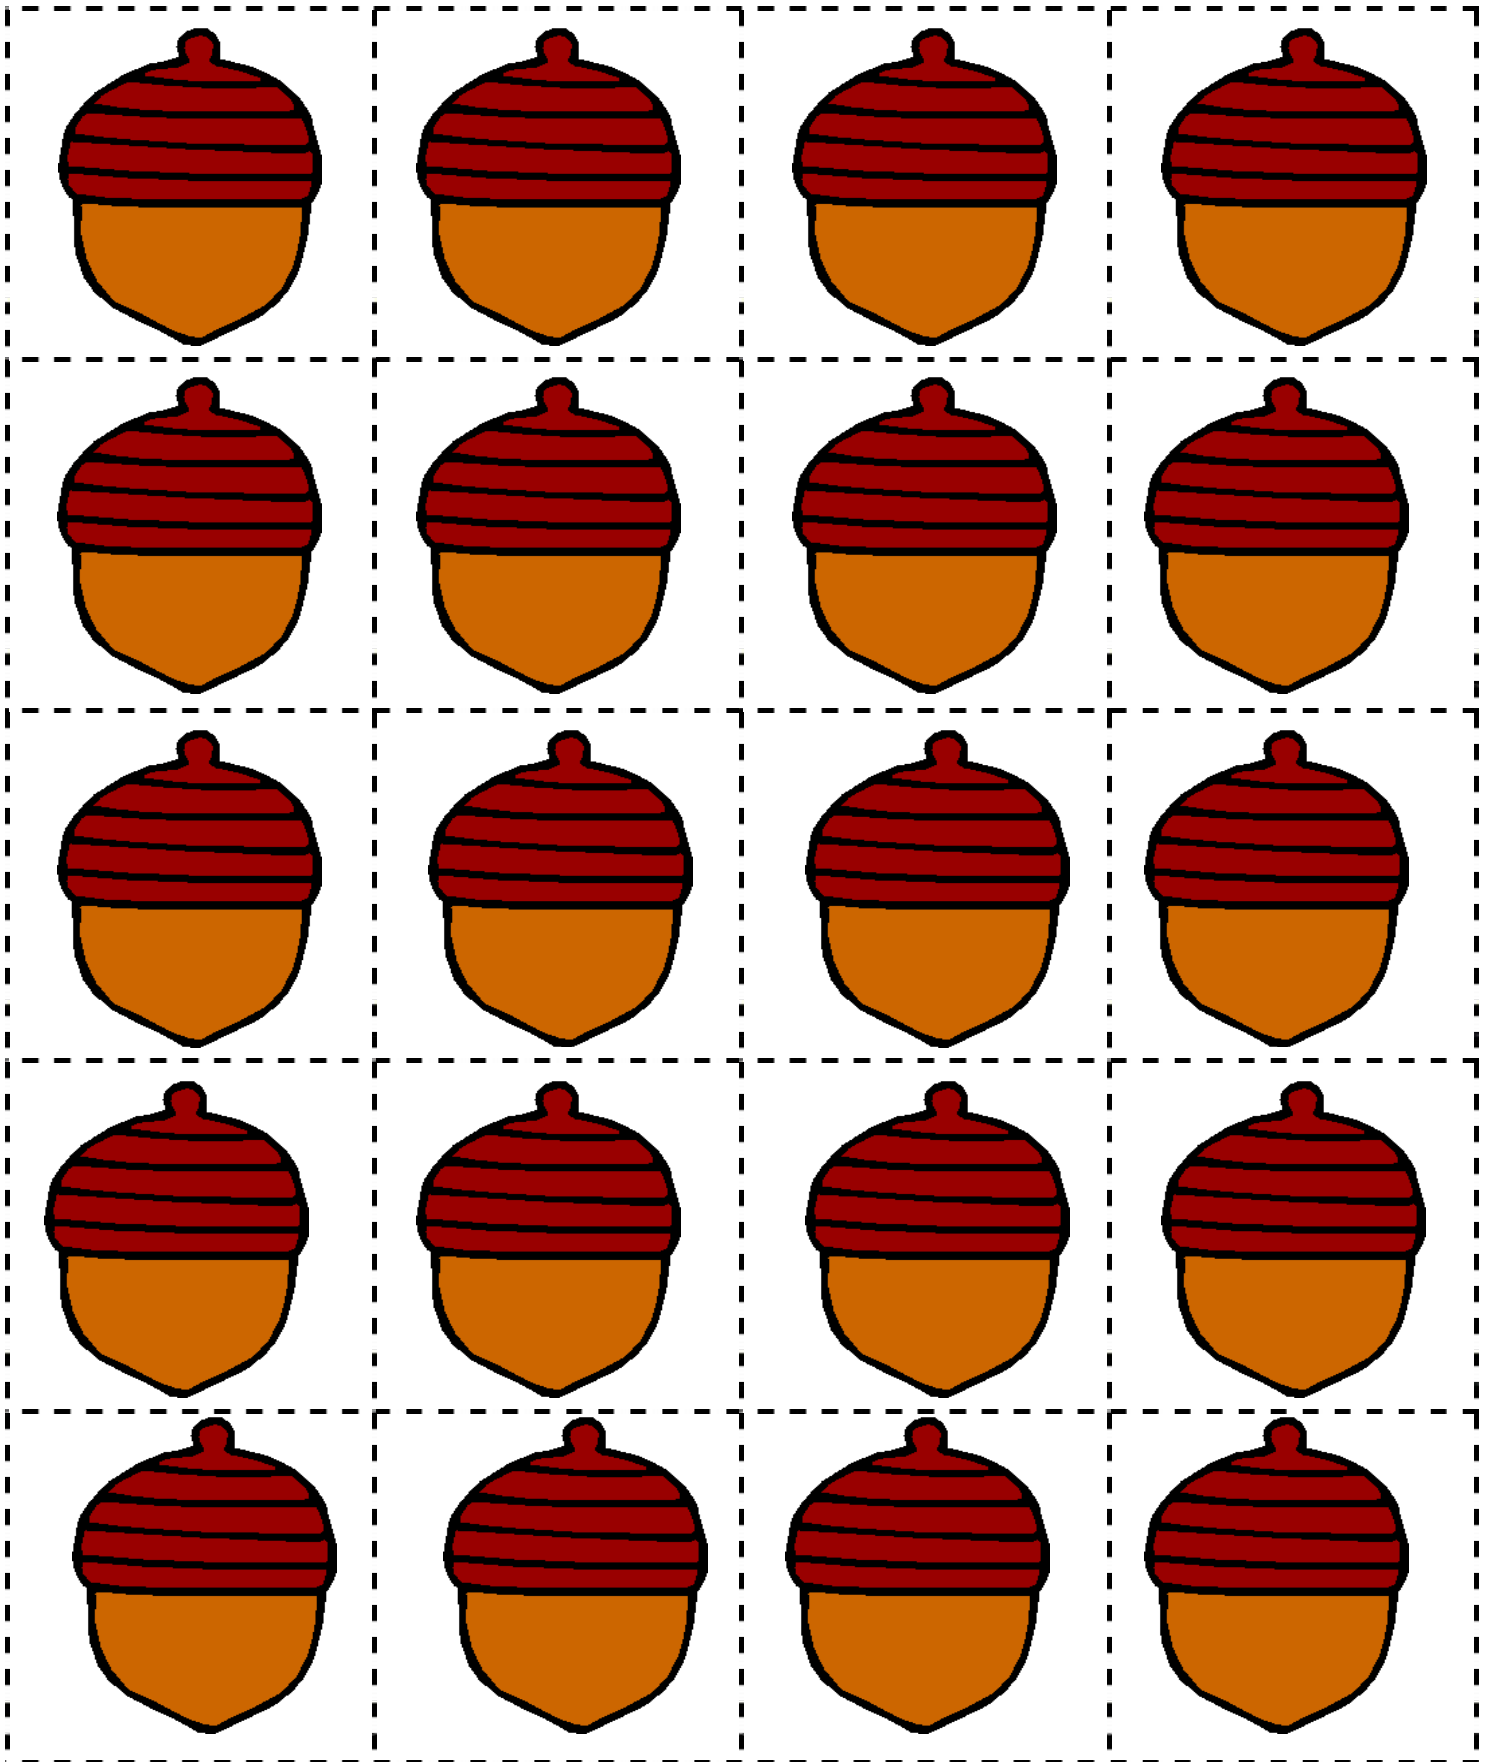

My acorns are over in the meadow,
My acorns are behind the tree,
I've forgotten where I put my acorns—
Oh bring back my acorns to me!!

Bring back, bring back, oh bring back my acorns to me,
to me—e—e

Bring back, bring back, oh bring back my acorns to me.

Cut out acorns and hide around the room or outdoors. Children can find them, count them, and make a set on the next page.
