

Public Notice

Antidegradation Alternatives Analysis for Hickory Grove Court, LLC

Notice Date: August 29, 2014

Notice is hereby given that Hickory Grove Court, LLC, Ames, Iowa has completed a draft antidegradation alternatives analysis for disinfection alternatives for the discharge wastewater to an unnamed creek tributary to the South Skunk River. Hickory Grove Court currently operates a sand filter wastewater treatment system. The action being considered is construction of a chlorination disinfection system.

Anyone wishing to comment on the proposed disinfection alternative must do so in writing within 30 days of the date shown at the top of this notice. Comments may be submitted to James Carroll, mail or email: James Carroll, 1549 NW 92nd St, Clive, IA 50325, septicdr@gmail.com.

Copies of this notice, the draft antidegradation alternatives analysis and supporting information are on file. Copies of this information may be requested by contacting James Carroll at 515-225-3846 or at the above email address. The Owner of Hickory Grove Court will submit a summary of comments received and responses to the Iowa Department of Natural Resources with the final alternatives analysis subject to IDNR review and approval.
