What is a provisional ballot?

A provisional ballot is issued to voters whose qualifications to vote have been challenged, voters who cannot prove they are qualified to vote, and voters who requested absentee ballots but did not surrender them at the polls.

How can I get an Iowa driver's license or non-operator ID?

To obtain an Iowa driver's license or identification card, you must document your date of birth, identity, and lawful status or presence in the United States as well as your Social Security number (if you have one) and two documents showing your current Iowa residence. You can create a personal checklist of the documents you will need to satisfy Iowa's identification requirements by following the steps listed here:
