Memorandum

DATE: January 17, 2023
TO: Story County Board of Supervisors
FROM: Amelia Schoeneman, Story County Planning and Development Director
RE: 2023 Planning and Development Work Program

Planning and Development staff presented the 2023 Work Program at the January 4, 2023, joint meeting with the Story County Planning and Zoning Commission and Board of Supervisors. The work program was reprioritized based on comments received at the meeting. The item to create a “Healthy and Viable Manufactured Home Parks Program” was increased in priority, and the item to create a map of current projects was decreased in priority to accommodate it. Staff recommends the Board of Supervisors approve the 2023 Planning and Development Work Program.
