Dear Board:

This memo is being submitted to request your consideration and approval of the transfer of \$15,000 to the StoryComm capital expenditure line item of the StoryComm budget.

At the beginning of the StoryComm project the StoryComm board members approved a total of \$300,000 to be used as a contingency fund for unexpected expenses during the build-out of the P25 radio system. Each entity (Story County, City of Ames, Iowa State University) contributed \$100,000 which made up the sum of \$300,000.

The final sign-off for the P25 radio system contract was completed in November of 2022. The total remaining balance in the contingency fund is \$45,000, split equally between the three entities this amount would equate to \$15,000 each. The StoryComm Board expressed their desire at the last StoryComm board meeting to maintain each entities share of \$15,000 within the StoryComm budget and specifically have it placed in the capital expenses line to be use for future StoryComm needs.

It was decided that each board member would have this placed on their respective council/board agenda for approval. Any questions on this request may be directed to Captain Nicholas Lennie.

Respectfully,

Capt. Nicholas A. Lennie
