RE: Justice Center Entrance Door Replacement

Facilities Management is requesting to use \$5,788 budgeted funds from the current fiscal year Justice Center budget to replace a damaged employee entrance.

During the weather event on 12/29/25 high winds caught and damaged an exterior employee entrance door. The damage is severe enough to require a full replacement of the door assembly. The door is currently shut and secure but is unusable.

The cost to replace the door and frame assembly by Heartland Door & Frame Inc. would be **\$5,788.00**

The request of the Board of Supervisors is to allow use of already budgeted funds to cover this repair that exceeds the Story County purchasing & procurement policies \$5000 threshold. No additional funds are being requested, the current operating budget has funds available to cover this expense.
