Re: Consideration of Final Plans, Specifications, Form of Contract, and Authorization to Release Bids for the Tedesco Shelter and Restroom Project

The attached final plans, specifications, and form of contract for the Tedesco Shelter and Restroom Project. Plans have been developed by Shive Hattery and RoxBox engineers and conservation staff. The design is for a partially open picnic shelter for up to 45 people, a rentable concession, 3 restrooms (2 ADA), a parking lot, and signage.

Funding is secured to meet the cost opinion. We request authorization to release an invitation for bids and set a bid opening date of March 3, 2026, at the routinely scheduled Story County BOS meeting.

Staff urges your approval and recommendation to the Board of Supervisors.
