

The Board of Supervisors met on 2/25/20 at 10:00 a.m. in the Story County Administration Building. Members present: Linda Murken, Lisa Heddens and Lauris Olson, with Murken presiding. (all audio of meetings available at [storycountyia.gov](http://storycountyia.gov))

**ADOPTION OF AGENDA:** Heddens moved, Olson seconded adopting the agenda as presented. Motion carried unanimously (MCU) on a roll call vote.

**BID OPENING FOR BRIDGE REPLACEMENT PROJECTS ON 690<sup>TH</sup> AVENUE IN SECTION 20-85-21 (LLIN20—73-85) AND ON 720<sup>TH</sup> AVENUE OVER A SMALL STREAM ON THE WEST LINE OF SECTION 26 OF T82N-R21W (L-C26—73-85)** – Engineer Darren Moon and Assistant Engineer Tyler Sparks opened bids. Sparks noted this bid is for two linked projects. The following bids were opened: Peterson Contractors, Inc., Reinbeck, Iowa, bid bond signed and attached, first project \$156,832.25, second project \$76,675.90; Progressive Structures, LLC, Elkader, Iowa, bid bond signed and attached, first project \$145,892.50, second project \$76,121.15; Reilly Construction, Ossian, Iowa, bid bond signed and attached, first project \$171,593.40, second project \$84,403.00.

**BID OPENING FOR PAVEMENT PROJECTS ON 535<sup>TH</sup> AVENUE FROM 320<sup>TH</sup> STREET SOUTH 0.25 MILES ON CENTER OF SECTION 27 OF T82N R24W (PALESTINE TOWNSHIP) (L-P27—73-85)** – Engineer Darren Moon and Assistant Tyler Sparks opened the following bids: InRoads, LLC, Des Moines, Iowa bid bond signed and attached, \$193,417.70; Manatts, Brooklyn, Iowa, bid bond signed and attached, \$146,101.80.

**BID OPENING FOR RESURFACING PROJECT ON 680<sup>TH</sup> AVENUE FROM 255<sup>TH</sup> STREET NORTH 1.6 MILES TO US HIGHWAY 30 (LFM-(HG)—7X-85); AND 2.54 ON HICKORY GROVE LAKE LOOP IN SECTION 24 OF T83N R22W (NEVADA TOWNSHIP) (L-HG2—73-85)** – Engineer Darren Moon and Assistant Engineer Tyler Sparks opened the following bids: Manatts, Brooklyn, Iowa, bid bond signed and attached, first part \$331,933.96, second part \$512,800.12. One bid for this project. Total: \$844,734.20

**BID OPENING FOR THE CULVERT REPLACEMENT PROJECT ON 645<sup>TH</sup> AVENUE OVER A SMALL STREAM IN SECTION 21-82-22 (L-IC21—73-85)** – Engineer Darren Moon and Assistant Engineer Tyler Sparks opened the following bids: Gehrke, Inc., Eldora, Iowa, bid bond signed and attached, \$66,000.80; Reilly Construction, Ossian, Iowa, bid bond signed and attached, \$60,778.50; Progressive Structures, LLC, Elkader, Iowa, bid bond signed and attached, \$61,707.10; Peterson Contractors, Inc., Reinbeck, Iowa, bid bond signed and attached, \$58,679.62.

Moon and Sparks will return to make recommendations of awarding bids at the March 3 meeting. Murken thanked them both.

**MINUTES:** 2/18/20 Minutes – will be considered next week

**PERSONNEL ACTIONS:** Pay adjustment, effective 3/1/20, a) Community Services for Wendy Schmitz @ ~~\$18.60~~ \$19.60/hr; b) Sheriff's Office for Karissa Hendrick @ \$2,355.20/bw; c) Auditor's Office for Kristy Macki @ \$22.87/hr; d) Secondary Roads for Charles Carsrud @ \$33.19/hr. Olson moved, Heddens seconded with noted correction in hourly rate for Schmitz. Roll call vote. (MCU)

Heddens moved, Olson seconded approval of the Consent Agenda as presented.

1. Annual License and Maintenance Fees between Story County and SysAid Technologies, Ltd, effective 5/4/20-5/3/21, for \$1,200.00
2. Highway right-of-way with Marianne J Halsted for the purchase of permanent easement for \$304.36 (L-LIN20--73-85)
3. Final pay voucher for Peterson Contractors Inc, for Culvert Replacement Project #FM-C085(149)--55-85
4. Contract with Johnson Controls for fire alarm testing and inspection at the Administration Building, effective 1/1/20-12/31/20, for \$2,182.34
5. Road Closure Resolutions: #20-28, #20-29
6. Utility Permits: #20-4704, #20-4707, #20-4708, #20-4714, #20-4715, #20-4717

Roll call vote. MCU

**REQUEST BY WAYNE SELLE FOR REPAYMENT OPTIONS FOR IOWA LAW ENFORCEMENT ACADEMY (ILEA) TRAINING EXPENSES** - Alissa Wignall, Internal Operations and Human Resources Director, provided background. Selle resigned within a year of hire. Per the agreement he signed when hired, he has an obligation to repay the County. Wignall, Sheriff Fitzgerald, and Assistant County Attorney Ethan Anderson met to discuss Selle's request. The difference between Selle's letter and the Sheriff's request is the deputy uniform which is returned to the County. Olson clarified the Board is considering repayment of the funds spent on Iowa Law Enforcement Academy (ILEA) training and related expenses. Heddens asked how this type of situation is handled by other counties and law enforcement agencies. Wignall stated it varies. Olson asked if the County was requesting decertification. Wignall confirmed the County is not. Murken clarified the amount under discussion is \$8,539.00. Connie Toresdahl, Sheriff's Office, provided detail re-use of returned uniforms. Discussion took place about lump sum. Heddens moved, Murken seconded, for Selle to pay a lump sum \$8,539.00 and for Wignall to issue Selle a letter of debt satisfaction upon payment. Roll call vote. Heddens aye, Olson nay, Murken aye. Motion carries.

**INTEGRATED ROADSIDE VEGETATION MANAGEMENT (IRVM) QUARTERLY REPORT** – Joe Kooiker, Weed Commissioner reported on drainage ditch brush clearing, possibility of contracting this work, roadside spraying, new equipment, safety concerns, equipment rental, funding sources, grants, seasonal staff, and planned work for the spring and summer. The Board thanked Kooiker for his report.

**UPCOMING AGENDA ITEMS:** Olson stated Volunteer Center funding possibilities will be discussed next week. Also a conversation about having quarterly reports from Todd Lundvall and Leanne Harter. Murken clarified Olson is requesting reports from staff, not department heads.

**LIAISON ASSIGNMENTS, COMMITTEE MEETINGS UPDATES, AND ANNOUNCEMENTS**

**FROM THE SUPERVISORS:** All Board members reported on multiple meetings.

Olson moved, Heddens seconded to adjourn at 11:04 a.m. Roll call vote. (MCU)

## CONTRACT FOR HIGHWAY RIGHT OF WAY

PARCEL No: 04-19-200-405  
 PROJECT No: L-LIN20--73-85  
 ROAD No: (690<sup>th</sup> Ave.)

THIS AGREEMENT made and entered into this 10<sup>th</sup> day of February, A.D. 2020 by and between  
**MARIANNE J. HALSTED**

Seller, and the Story County Secondary Roads Department, acting for the County of Story, Buyer.

1. a SELLER AGREES to sell and Buyer agrees to buy the following real estate, hereinafter referred to as the premises, situated in parts of the following (1/4 1/4 Sec./Twp./Rge.):

The West 27.00 feet of the East 60.00 feet of the North 100.00 feet of Lot 3 of Bryant's Subdivision in Section 19, Township 85 North, Range 21 West of the 5th P.M., Story County, Iowa. Easement contains 0.14 acres of which 0.08 acres is existing R.O.W.

County of Story, State of Iowa, and more particularly described on Page 3 and which include the following buildings, improvements and other property:

See attached graphical representation

1. b SELLER ALSO GRANTS to Buyer a temporary easement as shown on the Temporary Easement Plot attached as Page ---, and as shown on the project plans for said highway improvement. Said temporary easement shall terminate upon completion of this highway project.

1. c The premises also include all estates, rights, title and interests, including all easements, and all advertising devices and the rights to erect such devices as are located thereon. SELLER CONSENTS to any change of grade of the highway and accepts payment under this contract for any and all damages arising therefrom. SELLER ACKNOWLEDGES full settlement and payment from the Buyer for all claims per the terms of this contract and discharges the Buyer from liability because of this contract and the construction of this public improvement project.

2. Possession of the premises is the essence of this contract and Buyer may enter and assume full use and enjoyment of the premises per the terms of this contract. Buyer may take immediate possession of premises upon the execution of the contract by both Seller and Buyer.

3. Buyer agrees to pay and SELLER AGREES to grant the right of possession, convey title, and to surrender physical possession of the premises as shown:

	Payment Amount	Agreed Performance
\$	<u>304.36</u>	on right of possession
\$		on conveyance of title
\$		on surrender of possession
\$		on possession and conveyance
\$	<u>304.36</u>	<b>TOTAL LUMP SUM</b>

BREAKDOWN:	ac.=acres	sq.ft.=square feet			
Land by Fee Title		ac./sq.ft.	\$	Buildings & Improvements	\$
Underlying Fee Title		ac./sq.ft.	\$	Fence <u>---</u> rods woven	\$
Permanent Easement	<u>0.06</u>	ac./sq.ft.	\$ <u>279.36</u>	Fence <u>---</u> rods barb	\$
Temporary Easement		ac./sq.ft.	\$		
Damages for:					\$
			<u>Future Abstract Entry in the amount of \$25.00</u>		

4. The Seller is responsible for any and all matters relating to any tenant on the land and hereby releases the Buyer from all tenant liabilities.

SELLER'S SIGNATURE AND CLAIMANT'S CERTIFICATION: Upon due approval and execution by the Buyer, we the undersigned claimants certify the total lump sum payment shown herein is just and unpaid.

x Marianne Halsted  
\_\_\_\_\_  
\_\_\_\_\_

- 5. Each page and each attachment is by this reference made part hereof and the entire agreement consists of 3 pages.
- 6. In the event that said premises is burdened by the lien of a mortgage, judgement or other encumbrance, Sellers agree to fully cooperate with Buyer in securing a release of such lien from said premises, and if necessary and proper, Sellers agree that any part of the sum owing to them under this contract may be paid to the holder of such lien for such release.
- 7. Buyer agrees that any drain tile that is located within the premises and is damaged by highway construction shall be repaired at no expense to Seller. Where Buyer specifically agrees to construct and maintain fence, the fence shall be constructed and maintained for vehicle access control purposes only at no expense to the Seller. Buyer shall have the right of entry upon Sellers remaining property along the right of way line, if necessary, for the purpose of connecting said drain tile and constructing and maintaining said fence. Seller may pasture against said fence at his own risk. Buyer will not be liable for fencing private property of maintaining the same to restrain livestock.
- 8. If the Seller holds title to the premises in joint tenancy with full rights of survivorship and not as tenants in common at the time of this contract, Buyer will pay any remaining proceeds to the survivor of that joint tenancy and will accept title solely from that survivor, provided the joint tenancy has not been destroyed by operation of law or acts of the Seller.
- 9. These premises are being acquired for public purposes and this transfer is exempt from the requirements for the filing of a Declaration of Value by the Code of Iowa.
- 10. Seller states and warrants that , to the best of Seller's knowledge, there are no burial site, well, solid waste disposal site, hazardous substance, nor underground storage tank on the premises described and sought herein except,
- 11. This Written contract constitutes the entire agreement between Buyer and Seller and there is no agreement to do or not to do any act or deed except as specifically provided for herein.

**Additional Right of Way Agreements:**

**SELLER'S ACKNOWLEDGMENT**

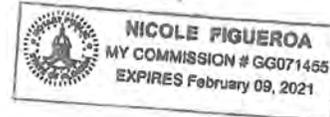

STATE OF IOWA: ss On this 10<sup>th</sup> day of February, 20 20, before me, the undersigned, personally appeared Marianne Halsted

Known to me to be the identical persons named in and who executed the foregoing instrument and acknowledged that they executed the same as their voluntary act and deed.

Nicole Figueroa  
Notary Public for the State of Iowa

## STORY COUNTY UTILITY PERMIT

Date 2/14/20OSP-17153 Job Tract#133000469-0003

To the Board of Supervisors, Story County, Iowa:

The Windstream Iowa Communications, LLC Company, incorporated under the laws of Iowa, authorize to do business within the State of Iowa, with its principal place of business at 4001 N. Rodney Parham Road, Little Rock, AR 72212, does hereby make application requesting permission to occupy certain portions of public right-of-way and that the County Engineer be directed to establish the location of lines of transmission of bore below ditch bottoms on secondary route 305th Street, from 600th Ave to 60264 305th Street, a distance of 0.30 miles.

Agreements: The utility company, corporation, applicant, permittee, or licensee, (hereinafter referred to as the permittee) agrees that the following stipulations shall govern under this permit.

1. The Permittee will file a plat setting out the location of proposed line on the secondary route and that the description of the proposed installation including type, height, and spacing of poles, maximum voltage, lengths of cross arms, minimum clearance and number of wires, type, size and capacity of underground cables, conduits, tile lines, and pipe lines, maximum working pressures for pipe lines carrying gas or flammable petroleum products are described as follows:
2. The installation shall meet the requirements of county, state, and federal laws, franchise rules, and of the Iowa State Commerce Commission Regulations and Directives, Utilities Division, the Iowa State Department of Health, and any other laws or regulations applicable.
3. The Permittee shall be fully responsible for any future adjustments of its facilities within the established highway right-of-way caused by highway construction or maintenance operations.
4. Story County assumes no responsibility for damages to the Permittee's property occasioned by any construction or maintenance operations on said highways.
5. The Permittee shall take all reasonable precautions during the construction and maintenance of said installation to protect and safeguard the lives and property of the traveling public and adjacent property owners.
6. The Permittee, and its contractors, shall carry on the construction or repair of the accommodated utility with serious regard to the safety of the public. Traffic protection shall be in accordance with Part VI of the current Iowa Department of Transportation Manual on Uniform Control Devices for Streets and Highways.
7. The Permittee shall be responsible for any damage resulting to said highways because of the construction operation, or maintenance of said utility, and shall reimburse Story County for any expenditure the County may have to make on said highways because of said permittee's utility having been constructed, operated, and maintained thereon.
8. The Permittee shall indemnify and save harmless Story County from any and all causes of action, suits at law or in equity, or losses, damages, claims, or demands, and from any and all

liability and expense of whatsoever nature for, on account of or due to the acts or omissions of said Permittee's officers, members, agents, representatives, contractors, employees or assigns arising out of or in connection with its (or their) use or occupancy of the public highway under this permit.

9. Noncompliance with any of the terms of permit, or agreement, may be considered cause for shut down of utility construction operations, or revocation of the permit.

10. The following special requirements, if applicable, shall apply to this permit:

Whenever the route of the proposed cable line runs along a paved secondary highway, the location of said cable shall be constructed on top of the road shoulder so as to be within approximately two-feet of the pavement edge.

Whenever the route of the proposed cable line runs along a dirt or gravel surfaced highway, the location of said cable shall be constructed on top of the road surface and as near possible to the shoulder line

Whenever a cross road culvert or bridge is encountered along the route of the proposed cable lines, said cable shall be constructed around the ends of said cross road culvert or bridge even though this looping is not designated on the situation plans attached hereto.

The crossing of the cable line from one side of the highway to the other shall be accomplished at a near right angle rather than diagonally so as to disturb the roadbed of the traveled way as little as possible.

Whenever the route of the proposed cable line is to cross a paved highway, such crossing shall be in a bored hole rather than open cut trench.

## STORY COUNTY UTILITY PERMIT

Date 2/14/20

To the Board of Supervisors, Story County, Iowa:

The Windstream Iowa Communications, LLC Company, incorporated under the laws of Iowa, authorize to do business within the State of Iowa, with its principal place of business at 4001 N. Rodney Parham Road, Little Rock, AR, does hereby make application requesting permission to occupy certain portions of public right-of-way and that the County Engineer be directed to establish the location of lines of transmission of plow and bore cable on secondary route 585th Ave, from 33505 585th Ave to Hwy 210, a distance of 0.56 miles.

Agreements: The utility company, corporation, applicant, permittee, or licensee, (hereinafter referred to as the permittee) agrees that the following stipulations shall govern under this permit.

1. The Permittee will file a plat setting out the location of proposed line on the secondary route and that the description of the proposed installation including type, height, and spacing of poles, maximum voltage, lengths of cross arms, minimum clearance and number of wires, type, size and capacity of underground cables, conduits, tile lines, and pipe lines, maximum working pressures for pipe lines carrying gas or flammable petroleum products are described as follows:
2. The installation shall meet the requirements of county, state, and federal laws, franchise rules, and of the Iowa State Commerce Commission Regulations and Directives, Utilities Division, the Iowa State Department of Health, and any other laws or regulations applicable.
3. The Permittee shall be fully responsible for any future adjustments of its facilities within the established highway right-of-way caused by highway construction or maintenance operations.
4. Story County assumes no responsibility for damages to the Permittee's property occasioned by any construction or maintenance operations on said highways.
5. The Permittee shall take all reasonable precautions during the construction and maintenance of said installation to protect and safeguard the lives and property of the traveling public and adjacent property owners.
6. The Permittee, and its contractors, shall carry on the construction or repair of the accommodated utility with serious regard to the safety of the public. Traffic protection shall be in accordance with Part VI of the current Iowa Department of Transportation Manual on Uniform Control Devices for Streets and Highways.
7. The Permittee shall be responsible for any damage resulting to said highways because of the construction operation, or maintenance of said utility, and shall reimburse Story County for any expenditure the County may have to make on said highways because of said permittee's utility having been constructed, operated, and maintained thereon.
8. The Permittee shall indemnify and save harmless Story County from any and all causes of action, suits at law or in equity, or losses, damages, claims, or demands, and from any and all

liability and expense of whatsoever nature for, on account of or due to the acts or omissions of said Permittee's officers, members, agents, representatives, contractors, employees or assigns arising out of or in connection with its (or their) use or occupancy of the public highway under this permit.

9. Noncompliance with any of the terms of permit, or agreement, may be considered cause for shut down of utility construction operations, or revocation of the permit.

10. The following special requirements, if applicable, shall apply to this permit:

Whenever the route of the proposed cable line runs along a paved secondary highway, the location of said cable shall be constructed on top of the road shoulder so as to be within approximately two-feet of the pavement edge.

Whenever the route of the proposed cable line runs along a dirt or gravel surfaced highway, the location of said cable shall be constructed on top of the road surface and as near possible to the shoulder line

Whenever a cross road culvert or bridge is encountered along the route of the proposed cable lines, said cable shall be constructed around the ends of said cross road culvert or bridge even though this looping is not designated on the situation plans attached hereto.

The crossing of the cable line from one side of the highway to the other shall be accomplished at a near right angle rather than diagonally so as to disturb the roadbed of the traveled way as little as possible.

Whenever the route of the proposed cable line is to cross a paved highway, such crossing shall be in a bored hole rather than open cut trench.

## STORY COUNTY UTILITY PERMIT

Date 2/20/20

To the Board of Supervisors, Story County, Iowa:

The Complete Communications Services Corp Company, incorporated under the laws of Iowa, with its principal place of business at Stratford, IA, does hereby make application requesting permission to occupy certain portions of public right-of-way and that the County Engineer be directed to establish the location of lines of transmission of Buried Fiber Optic Cable on secondary route Varies, See Attached, from See Attached Sheets to See Attached Sheets, a distance of See Attached Sheets miles.

Agreements: The utility company, corporation, applicant, permittee, or licensee, (hereinafter referred to as the permittee) agrees that the following stipulations shall govern under this permit.

1. The Permittee will file a plat setting out the location of proposed line on the secondary route and that the description of the proposed installation including type, height, and spacing of poles, maximum voltage, lengths of cross arms, minimum clearance and number of wires, type, size and capacity of underground cables, conduits, tile lines, and pipe lines, maximum working pressures for pipe lines carrying gas or flammable petroleum products are described as follows:
2. The installation shall meet the requirements of county, state, and federal laws, franchise rules, and of the Iowa State Commerce Commission Regulations and Directives, Utilities Division, the Iowa State Department of Health, and any other laws or regulations applicable.
3. The Permittee shall be fully responsible for any future adjustments of its facilities within the established highway right-of-way caused by highway construction or maintenance operations.
4. Story County assumes no responsibility for damages to the Permittee's property occasioned by any construction or maintenance operations on said highways.
5. The Permittee shall take all reasonable precautions during the construction and maintenance of said installation to protect and safeguard the lives and property of the traveling public and adjacent property owners.
6. The Permittee, and its contractors, shall carry on the construction or repair of the accommodated utility with serious regard to the safety of the public. Traffic protection shall be in accordance with Part VI of the current Iowa Department of Transportation Manual on Uniform Control Devices for Streets and Highways.
7. The Permittee shall be responsible for any damage resulting to said highways because of the construction operation, or maintenance of said utility, and shall reimburse Story County for any expenditure the County may have to make on said highways because of said permittee's utility having been constructed, operated, and maintained thereon.
8. The Permittee shall indemnify and save harmless Story County from any and all causes of action, suits at law or in equity, or losses, damages, claims, or demands, and from any and all

liability and expense of whatsoever nature for, on account of or due to the acts or omissions of said Permittee's officers, members, agents, representatives, contractors, employees or assigns arising out of or in connection with its (or their) use or occupancy of the public highway under this permit.

9. Noncompliance with any of the terms of permit, or agreement, may be considered cause for shut down of utility construction operations, or revocation of the permit.

10. The following special requirements, if applicable, shall apply to this permit:

Whenever the route of the proposed cable line runs along a paved secondary highway, the location of said cable shall be constructed on top of the road shoulder so as to be within approximately two-feet of the pavement edge.

Whenever the route of the proposed cable line runs along a dirt or gravel surfaced highway, the location of said cable shall be constructed on top of the road surface and as near possible to the shoulder line

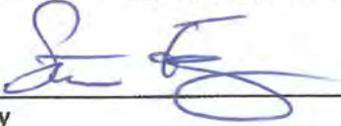

Whenever a cross road culvert or bridge is encountered along the route of the proposed cable lines, said cable shall be constructed around the ends of said cross road culvert or bridge even though this looping is not designated on the situation plans attached hereto.

The crossing of the cable line from one side of the highway to the other shall be accomplished at a near right angle rather than diagonally so as to disturb the roadbed of the traveled way as little as possible.

Whenever the route of the proposed cable line is to cross a paved highway, such crossing shall be in a bored hole rather than open cut trench.

Existing BFO 12 will need to dug up for 100' & cut and swing 50' into both HH B/16 & B/17 to be spliced. This FF will feed the CO from here heading north into town. Some fibers will spliced back through to Roland. Work with Telco on timing and counts as this will be a hotcut.

## STORY COUNTY UTILITY PERMIT

Date 2/20/20

To the Board of Supervisors, Story County, Iowa:

The MINOSTREAM COMMUNICATION Company, incorporated under the laws of authorize to do business within the State of Iowa, with its principal place of business at LITTLE ROCK, AR, does hereby make application requesting permission to occupy certain portions of public right-of-way and that the County Engineer be directed to establish the location of lines of transmission of FIBER CABLE on secondary route 295<sup>TH</sup> ST, from 650<sup>TH</sup> AVE to 996' EAST, a distance of 0.19 miles.

Agreements: The utility company, corporation, applicant, permittee, or licensee, (hereinafter referred to as the permittee) agrees that the following stipulations shall govern under this permit.

1. The Permittee will file a plat setting out the location of proposed line on the secondary route and that the description of the proposed installation including type, height, and spacing of poles, maximum voltage, lengths of cross arms, minimum clearance and number of wires, type, size and capacity of underground cables, conduits, tile lines, and pipe lines, maximum working pressures for pipe lines carrying gas or flammable petroleum products are described as follows:
2. The installation shall meet the requirements of county, state, and federal laws, franchise rules, and of the Iowa State Commerce Commission Regulations and Directives, Utilities Division, the Iowa State Department of Health, and any other laws or regulations applicable.
3. The Permittee shall be fully responsible for any future adjustments of its facilities within the established highway right-of-way caused by highway construction or maintenance operations.
4. Story County assumes no responsibility for damages to the Permittee's property occasioned by any construction or maintenance operations on said highways.
5. The Permittee shall take all reasonable precautions during the construction and maintenance of said installation to protect and safeguard the lives and property of the traveling public and adjacent property owners.
6. The Permittee, and its contractors, shall carry on the construction or repair of the accommodated utility with serious regard to the safety of the public. Traffic protection shall be in accordance with Part VI of the current Iowa Department of Transportation Manual on Uniform Control Devices for Streets and Highways.
7. The Permittee shall be responsible for any damage resulting to said highways because of the construction operation, or maintenance of said utility, and shall reimburse Story County for any expenditure the County may have to make on said highways because of said permittee's utility having been constructed, operated, and maintained thereon.
8. The Permittee shall indemnify and save harmless Story County from any and all causes of action, suits at law or in equity, or losses, damages, claims, or demands, and from any and all

liability and expense of whatsoever nature for, on account of or due to the acts or omissions of said Permittee's officers, members, agents, representatives, contractors, employees or assigns arising out of or in connection with its (or their) use or occupancy of the public highway under this permit.

9. Noncompliance with any of the terms of permit, or agreement, may be considered cause for shut down of utility construction operations, or revocation of the permit.

10. The following special requirements, if applicable, shall apply to this permit:

Whenever the route of the proposed cable line runs along a paved secondary highway, the location of said cable shall be constructed on top of the road shoulder so as to be within approximately two-feet of the pavement edge.

Whenever the route of the proposed cable line runs along a dirt or gravel surfaced highway, the location of said cable shall be constructed on top of the road surface and as near possible to the shoulder line

Whenever a cross road culvert or bridge is encountered along the route of the proposed cable lines, said cable shall be constructed around the ends of said cross road culvert or bridge even though this looping is not designated on the situation plans attached hereto.

The crossing of the cable line from one side of the highway to the other shall be accomplished at a near right angle rather than diagonally so as to disturb the roadbed of the traveled way as little as possible.

Whenever the route of the proposed cable line is to cross a paved highway, such crossing shall be in a bored hole rather than open cut trench.

Story County Board of Supervisors  
Story County Administration Building  
900 6th Street  
Nevada, IA 50201

Dear Supervisors,

Hello, my name is Wayne Selle, I am writing in regards to the employee agreement with Story County. It was not my intention to break the contract. I was planning on staying and fulfilling my contract, but due to the unforeseen circumstances that occurred I was forced to. At this stage I am currently unemployed and seeking another position elsewhere. I will not be able to make a lump sum payment of \$27,363.74 within 60 days of ending my employment.

Due to the fact that I have two small children and a mortgage, I am unable to pay the amount of the agreement (\$27,363.74) in full by the deadline of March 02, 2020. I am respectfully presenting two alternative options.

The first alternative is making small monthly payments until the debt is satisfied. At this stage, being unemployed, the payments that I have the ability to make would be very low. After I get a job, it would be dependent on my new salary what I would be able to budget for a monthly payment.

The second alternative is I can pay the amount of \$8,746.00 from my savings on 03/02/2020 with the understanding the debt to the county would be completely satisfied. With my savings depleted I would not be able to make payments in the future. This would be a lump sum amount for the following;

ILEA Tuition:	\$6,240.00
ILEA PIT Certification:	\$125.00
ILEA Meals:	\$1,849.00
ILEA Uniforms:	\$225.00
Deputy Uniforms that were returned:	\$306.31

With my current financial situation, and being unemployed, I would only be able to pay this amount (8,746.00) from my savings knowing the debt would be completely satisfied.

Thank you for your time and consideration in this situation.

Sincerely,  
Wayne Selle

STORY COUNTY AUDITOR

Board of Supervisors;

On Friday, February 14<sup>th</sup>, I met in the Sheriff's Office Conference Room with County Attorney Tim Meals, Assistant County Attorney Ethan Anderson, Story County Director of Internal Operations and Human Resources Alissa Wignall and Sheriff's Office Captain Nick Lennie. The Board of Supervisors (BOS) had received a letter from former Deputy Sheriff Wayne Selle requesting either all or part of the law enforcement contract be waived. The BOS has asked me for a recommendation on this request. After discussing this matter, it is my recommendation to modify the contract obligation for Mr. Selle to \$8,539.00. This amount includes reimbursement of the ILEA tuition, ILEA meals and ILEA uniforms.

Respectfully Submitted,

Paul H. Fitzgerald  
Story County Sheriff

## Board of Supervisors Report Outline

### Iowa Roadside Management Department

- IRVM has changed to Iowa Roadside Management (IRM) statewide
- Winter/Early Spring Operations
  - DD Work
    - Grant # 13(North of 265<sup>th</sup> Street) Logging operations halted 1/15/2020
      - There is still work to do cleaning up-stumps/burn piles at this site.
    - Currently staff is burning piles and doing site cleanup on Drainage Districts Hardin-Story #3, Warren #11, Grant #5 and New Albany #75.
    - Staff has worked with landowners to get access lanes planted on Hardin-Story #3 and Grant #5. This will be completed this spring if time, weather and resources allow.
    - Tyler is working with contractor to get bids for Contract Spray/logging of DD's. This would happen in the summer of 2021 or later.
  - No Spray Program
    - A contact list has been formed for Story County Sensitive Crop farmers. A letter is being drafted to inform them of No Spray Program and encourage involvement.
  - Safety Program
    - Job Safety Analysis forms are being created for SCC operations. IRM department is working to create JSA's for unique tasks performed by employees.
  - Drill Maintenance and Repair
    - CRP acres/waterways sign up has increased this year.
    - Staff is working on all 3 rental drills to prepare for a busy spring planting season.
  - Building Pad Preparation/ADA parking
    - Work has to be done on site to bring site to level, and create a proper base for concrete. This preconstruction work will be done by staff in the next few months.
- FY 2020 Purchasing
  - Isuzu NPR-HD cab over spray truck is in DSM getting flatbed and work lights installed.
  - Norstar Sprayer and GPS is currently being shipped from Washington.
  - Hydroseeder Truck replacement (2006 I.H. 7500 from Secondary Roads)
    - Truck is currently being used to plow snow, looking forward to warmer weather where truck can be sent to weld shop for hydroseeder installation.
  - 40 x40 pole building addition is planned to be built by July 1<sup>st</sup> 2020.
- FY 2021 Budget
  - 8-foot Truax Brillion seed drill
    - This Brillion seeder would replace 1996 8-foot drill currently in use.
    - It will work better for cool season plantings along trails and waterways, as well as being great for prairie plantings.
    - The 8-foot drill will go to DOT auction in October.
  - Tandem Axle Equipment Trailer
    - This project may be eligible for up to 80 % LRTF grant funding.
    - This trailer will replace the 1968 yellow trailer currently in use by IRM to haul small tractor and other equipment.
    - 1968 yellow trailer will be sold at DOT auction in October.

- Herbicide Storage Cage and shelving
  - This cage and shelving setup are designed to provide safe, spill proof, locked storage for herbicide containers inside new addition. This is in accordance with recommendations from ISU Extension Office and Iowa Department of Land Stewardship.
- Staffing
  - The new spray truck requires a minimum Class D CDL to operate. Seasonal staff are currently not required to have this license.
- Looking Ahead
  - Staff Affiliations/Committees 2019/2020
    - President AFIRM- Joseph Kooiker
    - Member at Large AFIRM-Tyler Kelley
    - Member at Large IWCA- Tyler Kelley
    - LRTF Grant Advisory Committee-Joseph Kooiker
    - REAP Assembly Member (2019)-Tyler Kelley
  - A tablet was purchased for IRM operations
    - It will be used for tracking work orders, research, and mapping in the field.
  - Staff will start prepping for Spring RX fire in March. Weather, time and resources are always a factor on what can be completed.
  - Spring Planting will be completed off and on throughout burn season. The 13th Street project is currently on hold. 2 bridges, 1 culvert and 1 pipe project planned for FY 2021.
  - Contract spray for brush control is planned for a minimum of 5 townships this year.
    - Townships to be sprayed include: Palestine, Union, Indian Creek, Collins, and Lafayette.
  - Fall 2019 Harvest Update
    - The weather was not ideal for harvesting, high winds and rainstorms knocked seed of the stem early. The conservative estimate of seed harvested was 120 pounds, at an estimated value of \$3,000.
