Each meeting is assigned a meeting ID (sometimes called a "webinar ID") that you will need to use to access the meeting.
- *Zoom video conferencing* – You can access the meeting by either clicking the link found on the agenda, or by opening the Zoom application and entering the meeting ID number on the agenda.
 - Meeting participants will be able to watch and hear the meeting as it takes place.
 - For portions of the meeting where public input is accepted, you will need to press the "unmute" button to speak, provide your name, address and your comments. Can also press the "raise hand button" to request to speak.
- Zoom phone conferencing – As an alternative to video conferencing, participants may call in to a phone conference using their touch-tone phone. Several call-in telephone numbers are provided on each meeting agenda. Unless otherwise indicated, the number is a long-distance phone number; charges may apply depending on your telephone provider.
 - Once you have dialed the telephone number provided, you will be prompted to enter the Meeting ID number (found on the agenda). During the meeting, you will be able to hear the discussion live, but will not be able to see any content.
