Scoring Matrix

Applicant Name _____ Project Number _____

Set of criteria that includes both qualitative and quantitative measures for a total of 125 points. Points awarded to projects in a general category (80 points), project-specific scoring categories (25 points), and cost, eligibility and sustainability (25 points). In the case that more than one category applies to a project, the top scoring category will be used.	
The maximum number of points which can be awarded to any project is 125.	
General	
Provide services to Story County residents that are disproportionately impacted by the pandemic. Majority of impact or investment is in disadvantaged communities, businesses, or disparities caused by COVID-19.	15
Serves Story County’s most vulnerable populations, low income, seniors, handicapped, unemployed or other underserved residents.	15
The project is a collaborative effort with multiple entities. Specific partnerships or funding from other organizations have been identified to improve return on investment of request. Have partnered with or assisted other non-profits to provide needed services.	10
History of service in Story County - applicants have been operationally viable and have a history of commitment to Story County with a proven record of accomplishment.	10
The project is transformative, making a permanent and noticeable change in a service or community condition.	10
The project leverages other funding sources .	5
Program or project matches recommendations in the Cornerstone to Capstone Comprehensive Plan, Story County Capital Improvements Plan, and/or the Story County Strategic Plan.	5
The project has a sound plan and budget. The project does not create a funding dependency.	5
A <u>complete</u> application was submitted on <u>time</u> .	5
General – Possible Total	
80	
Category: Support the public health response	
The project mitigates COVID-19 cases, hospitalizations, or deaths, or increases vaccination rates.	10
The project addresses (a) physical or behavioral issue(s) exacerbated by the COVID-19 pandemic.	5
The project addresses a need related to the COVID-19 pandemic not funded elsewhere.	5
The project targets (a) population group(s) at higher risk of being impacted by the COVID-19 pandemic.	5
Category: Support the public health response - Possible Total	
25	
Category: Address negative economic impacts caused by the public health emergency	
The project targets (a) population group(s) at higher risk of being impacted by the COVID-19 pandemic.	10
The project increases economic stabilization.	5
The project increases capacity to recruit or retain employees.	5
The project aligns with existing projects and programs.	5
Category: Address negative economic impacts caused by the public health emergency - Possible Total	
25	

Scoring Matrix

Applicant Name _____ Project Number _____

Category: Invest in water, sewer, and broadband infrastructure			
<i>Water/Sewer</i> - The project mitigates a public health challenge.			10
<i>Water/Sewer</i> - The project supports community resilience related to water, drought, or climate change.			5
<i>Water/Sewer</i> - The project provides a substantive water quality benefit.			5
<i>Water/Sewer</i> - The project addresses an existing or impending water supply need.			5
<i>Broadband</i> - The project targets unserved or underserved areas.			5
<i>Broadband</i> - The project targets last-mile gaps in network connection.			5
<i>Broadband</i> - The project is unlikely to be funded by the private sector.			5
<i>Broadband</i> - The project addresses digital equity.			10
Category: Invest in water, sewer, and broadband infrastructure - Possible Total			25/25
Evidence of Sustainability	Points	Consistency with Treasury Guidelines	Points
No funding identified for multi-year program sustainability.	0	May not meet Treasury Guidelines	0
Possible Funding identified for multi-year program sustainability.	5	Likely meets Treasury Guidelines	5
Funding has been identified for multi-year program sustainability.	10	Clearly meets Treasury Guidelines	10
Sustainability - Possible Total		Treasury Guidelines - Possible Total
