Members of the Story County Board of Supervisors,

The Ames History Museum (AHM) appreciates the opportunity to be on the agenda of your April 26 meeting. AHM is currently conducting a capital campaign for an expansion project. With a cost of \$4.25 million, the museum is preparing to submit a grant request to the recently announced Destination Iowa program. This requires both public and private support and funds.

AHM requests a letter of support from the Board of Supervisors (sample attached) and a commitment of \$200,000 in financial support. The program will begin accepting applications as of May 9th and the museum intends to submit a request as that time.

I look forward to giving a short presentation at your upcoming meeting. I am also submitting additional information about the project for your review prior to the meeting.

Sincerely,

Sharon Wirth

4. **Term of Agreement.** Except as provided in section (vi) of the Treasurer's duties under **Exhibit A** of this Agreement, the term of this Agreement shall be as follows:

7. **Right to Contract.** GTS and the Treasurer each warrant that neither its execution and delivery of this Agreement, nor its performance of the provisions hereof are, or will constitute, a violation on its part of any applicable law or regulation or any contract, indenture or other agreement or relationship to which it is a party or by which it is bound, and each agrees that it will defend, indemnify and save the other harmless from and against any loss, costs, liability, damages or expense by reason of any claim which may be asserted to the contrary by any third party.

GTS hereby agrees that it will not at any time during or after the term of this Agreement disclose any such confidential or proprietary information to any person, firm, corporation, association or other entity for any reason or purpose whatsoever, unless required by law or upon obtaining the prior written consent of the County or the Treasurer. In the

event of a breach, whether actual or anticipated, by GTS of the provisions of this Paragraph 16, the County or the Treasurer shall be entitled to an injunction or other legal or equitable remedy pursuant to which GTS shall be enjoined or precluded for disclosing, in whole or in part, such confidential or proprietary information. Memorandum

To: Story County Board of Supervisors

From: Michael D. Cox, Director

Date: April 26, 2022

Re: Consideration of Purchasing the Standard Department Header Package for the SCC Website from Civic Plus for \$3,131.16 and an Annual Fee of \$717.15.

This header package will enable SCC specific menu navigation for the website. This will greatly enhance navigation for mobile users who currently must navigate a very cumbersome system to find park, recreational opportunities, and other features on our current website. This was approved in the FY23 budget but was conditioned by coordination with the overall website refresh. We are able to combine it with the refresh this FY and have coordinated with IT to meet their needs for maintaining the Story County color palette and on relational functionality with the remainder of the county website. We had originally requested \$6,090 but have since learned that we can accomplish the goals with the less expensive package. This can be accommodated in the FY22 conservation budget.

The Story County Conservation Board recommends your approval.

MEMORANDUM

DATE: April 26, 2022
TO: Story County Board of Supervisors
FROM: Andrea Wagner, Planner, Story County Planning and Development
RE: Board of Regents, State of Iowa, for Benefit of Iowa State University Voluntary Annexation

The Board of Regents, State of Iowa, for Benefit of Iowa State University, proposes to voluntarily annex two parcels in Section 17 of Washington Township. The parcels are 09-17-200-450 and 09-17-200-460, also known as 2121 and 2219 State Avenue, Ames, Iowa. The parcels total 10.79 acres and are adjacent to the city's boundaries on three sides (north, west, and south). To the east is State Avenue, which the city has jurisdiction over. Because the subject properties are currently a peninsula of unincorporated area, the annexation will create more uniform boundaries for the City.

The annexation will also facilitate the extension of City sewer to Iowa State property, including a new feed mill. The area surrounding the subject properties is also owned by Iowa State University and is the location of Curtiss Farm. The farm totals approximately 141 acres on the south side of Highway 30 and west of State Avenue. It is the location of the new Kent Corp Feed Mill and Grain Science Complex, currently under construction. The feed mill is located north of the subject properties. City water is already available along State Avenue. Iowa State will be responsible for the costs of the sewer extension. The extension is planned to be sized for Iowa State's needs, rather than oversized.

Other adjacent properties include Christensen's Subdivision (on Meadow Glen Road) to the east across State Avenue. Worle Creek is to the south of Curtiss Farm.

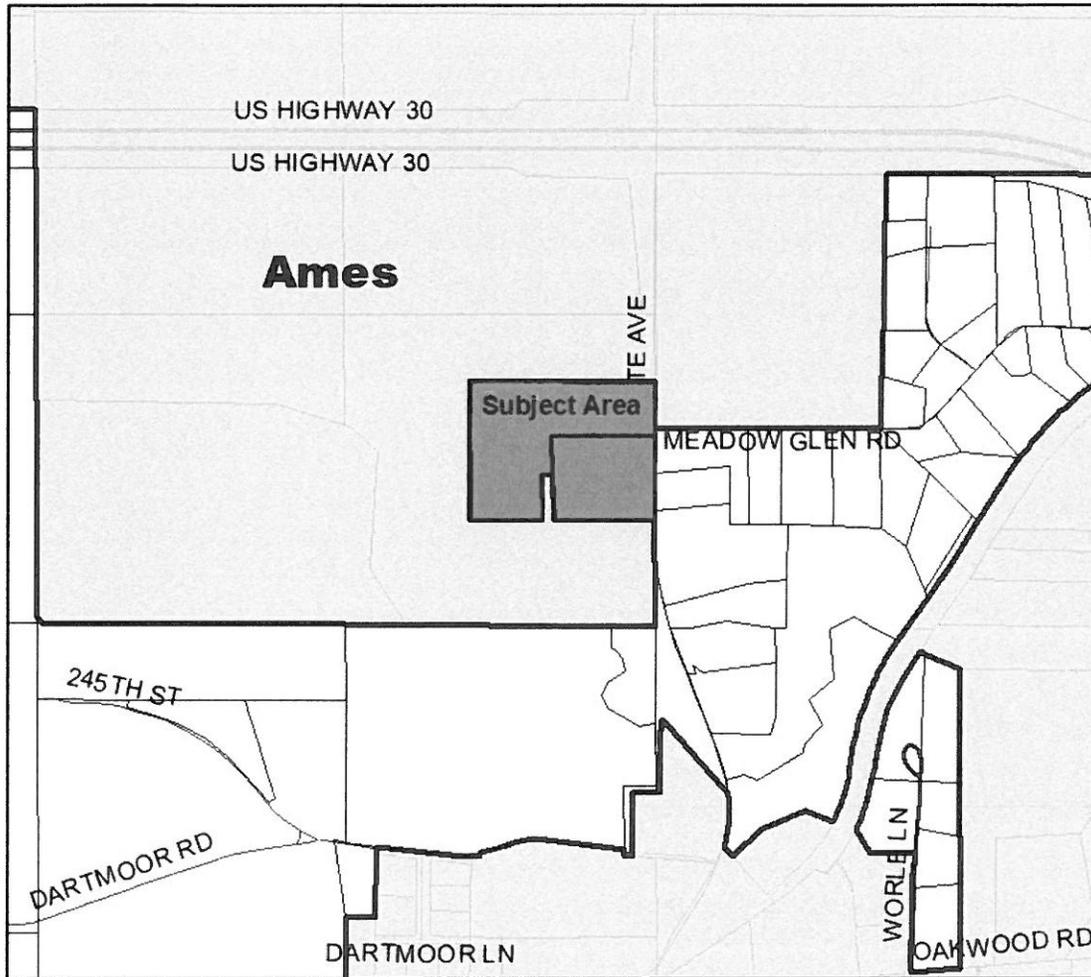

Iowa Code § 368.7 on annexations indicates that the Board of Supervisors is to take action on an annexation and review where the annexation is compatible with the comprehensive plan. The property is located in the Ames Urban Fringe and designated Urban Residential. According to Ames Urban Fringe Plan (AUFPP) policies, Urban Residential areas are to be annexed and developed under city standards.

The City of Ames hosted a consultation meeting on the requested voluntary annexation on April 7, 2022. At the meeting, City staff relayed comments they had received from one of the township trustees. These comments included concerns that properties on Meadow Glen Road would be included in the annexation as non-consenting properties and that fire service would be inadequate for the residential areas. The City does not intend to take in any other property with this annexation, and they already have an agreement with Iowa State to provide fire service to the subject properties. Additionally,

there is a hydrant located on the east side of State Avenue. The township trustee also asked how much revenue the County would lose with the annexation. Since the subject properties are owned by the State of Iowa, the County will not be losing any revenue, as the properties are tax exempt.

Ames City Council will take action on this item at their May 24, 2022, meeting. State code indicates they are to consider the Board of Supervisors' action in making their decision on the annexation request. City Development Board action is not required.

Given that the request is a 100% voluntary annexation that will facilitate development inside the City's boundaries and is in accordance with the Ames Urban Fringe Plan and Land Use Policy Plan, resolution #22-74 is written to support the voluntary annexation request.

Looking Back

During the 1st quarter of 2022 Animal Control and Animal Intakes slowed down for us. This was a welcomed opportunity to ramp up our animal enrichments and socialization. We now have several cats being given the opportunity to play together for some same species social enrichment and treat boxes for the dogs. I've also taken some time to update and add items to the Animal Control portion of the county website including ways to report a lost pet online and apply to become an animal foster home as well as yearly statistics. Myself and the Animal Control Officer took a Chemical Immobilization course in February and another staff member completed their ACO I certification through the National Animal Care and Control Association. In March, a group of ISU communications majors held a 5k/walk with your dogs at Ada Hayden and raised \$448 dollars for the shelter.

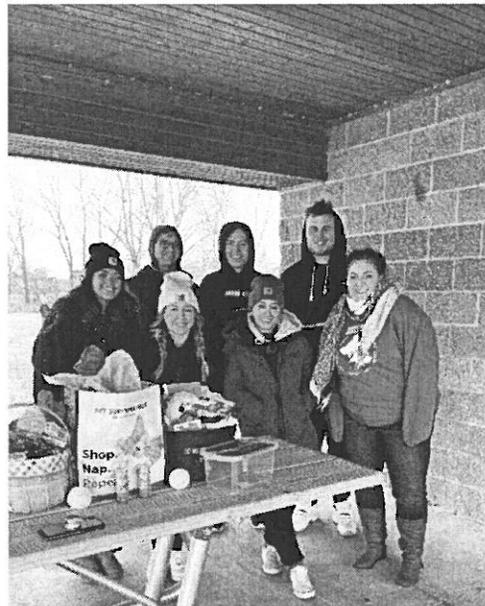

Looking Ahead

Kitten season is right around the corner but we are expecting the little ones any day. I believe the colder weather has delayed it a bit. We are still looking for more foster homes for kittens and hopeful we can gain some interest in this rewarding endeavor. Once again, we have come out with some new T-shirt designs for 2022. This fundraising campaign will run until May 2nd. Currently we have 2 dogs in foster care and 1 kitten.
