Narrative

A witness reported that a vehicle was northbound and went off the roadway. A witness advised that the vehicle struck a bridge at Ames and continued NB. The witness advised the driver was driving the vehicle with a flat tire.

The witness advised that the driver was driving in the median near the 115 mile marker. This deputy witnessed the vehicle driving in the median from the 116 overpass. This deputy then went southbound on I-35 and activated my lights and siren.

Vehicle #1 then came out of the median, struck a guard post and cable at the 116 mile marker, and crossed the northbound roadway. Vehicle #1 entered the east ditch striking a tree and fence to a field.

As this deputy approached the vehicle, I witnessed the front tires still spinning. This deputy opened the front driver's side door and shut off the vehicle and placed the vehicle into park.

The driver, identified as Thomas Irvine of Urbandale, was very disoriented.

Narrative

Medical was called to the scene.

It was determined that the driver is a diabetic and had very low blood sugar. The driver was transported to Mary Greeley Medical Center by Mary Greeley Ambulance.

Dave's out of Ames towed the vehicle.
