STORY COUNTY BOARD OF HEALTH Minutes

September 6, 2011

Story County Administration Building
Public Meeting Room, 2nd Floor
900 6th Street, Nevada, Iowa 50201

Board Proceedings: 9/6/11

The Board of Health met on September 6, 2011 at 4:30 p.m. at the Story County Administration Building. The board members in attendance were Mark Speck, Dr. John Kluge, vice chair Dr. John Paschen, with Paul Toot presiding. Dorothy Twedt was not in attendance. Also in attendance were: Keith Morgan, Janelle Durlin, Cathy Bazylinski, Margaret Jaynes, Matt Cory, Ashley Harmon, Eileen Mullen, and Terri Olinger.

CONSENT AGENDA (All items listed under the consent agenda will be enacted by one motion. There will be no separate discussion of these items unless a request is made prior to the time the Board votes on the motion.)

Approval of Agenda Kluge moved and Paschen seconded the approval. (MCU)

Minutes: June 7, 2011 Paschen moved, Kluge seconded the approval. (MCU)

Next three items need no separate discussion. One motion was used to approve consent agenda. (MCU)

Approval of Carbon Monoxide Safety Program grant application

2011 PHM23 Amendment #1 Public Health Quality Improvement Network

Contract 5882CO85 Amendment #1 FY12 LPHSC

PUBLIC FORUM

No comments from the public were made at this time.

ADDITIONAL ITEMS

Story County Emergency Operations Center Manning – Keith Morgan, Story County Emergency Management

Morgan reported on the importance in reacting to a disaster. He showed a video clip about a tornado disaster in Tuscaloosa that showed the importance of fast and well organized reaction to the disaster. He is starting a process with Ames and Story County to be able to work together in a disaster. Morgan talked about the benefits of having a plan for a disaster. Also talked about ESF 8 Coordinator, optimizing resources that the cities counties and states have to save and protect people and property, resources we might need and what the EOCs roll is. Areas for improvement include education, training, communication, and support functions.

QUARTERLY REPORTS AND DISCUSSIONS/ACTIONS

Mid-Iowa Community Action Report – Janelle Durlin

Durlin reported on the following MICA programs: Child and Maternal Health, WIC, Living with HIV, 1st Five mental health, Child and Adult Care Food Program, WIC, food pantry, and Story County Dental Clinic. She discussed ways that MICA continues to improve and increase services. A full-time dentist, Dr. Bradley Melhus, has been hired and is providing new ideas on ways to better serve low income families in the area.

Homeward Regular Report – Eileen Mullan and Terri Olinger

Mullan reported on her EFS duties, and exercises they have done and are going to do, plans for cooling shelter possible in the summer, being more proactive if this would be necessary, where can people go if they need this kind of help?, not much of a need for this as there are places to go to get cool. Blue zone, creating a healthier state, county, city. Adapting healthier behaviors in communities. The financial report of HOMEWARD, end of year report.

Terri Olinger: Terri reported on the dangers of lead and when the right time to test is, what steps do you take to help eliminate lead threats in homes. Immunizations starting soon, flu shot clinics starting also, flu mist flu

shots high dose and pneumonia vaccine. Drive through clinic possibly in early October. Waivers for vaccinations were discussed. There is no way to follow up on religious waivers and currently there are very few medical waivers. Emergency Preparedness H1N1 grant, HOMEWARDS table top exercise, senior health clinics, disease surveillance

Story County Environmental Health Department Regular Report – Margaret Jaynes

Jaynes reported on the permit, inspections and testing numbers for this fiscal year. She talked about the training for the Environmental Health staff, website upgrades, complaints received, taking action against individuals that have been in violation out of compliance, salvage yard inspection, drillers and contractors without licenses or permit, beginning the process for scanning documents, GIS, manure management, carbon monoxide education campaign, radon testing, and upcoming tasks for the second quarter. See attached presentation.

PUBLIC HEARING ITEMS:

For the adoption of IAC Chapter 68 “Control of Lead-based Paint Hazards” by reference as a county lead ordinance

Margaret Jaynes presented an overview of the proposed ordinance, see attached document for presentation.

Public comments There were no comments from the public at this time. Paul Toot explained that if the BOH approves this ordinance it will then go to the BOS for public hearing. Depending on public input, the BOS can waive the second and third readings and pass the ordinance after the first hearing.

Board vote to approve or deny the regulation be recommended for adoption by the Board of Supervisors

Kluge moved and Speck seconded to adopt the lead ordinance. Roll call vote. (MCU)

STAFF COMMENTS

No staff comments were made.

BOARD COMMENTS

No board comments were made.

ADJOURNMENT

Dr. Kluge moved and Dr. Paschen seconded to adjourn the meeting at 6:05 p.m. (MCU)
