

DRAINAGE MEETING  
DISTRICT RICHLAND #20  
MARCH 28, 2017

The Story County Drainage District Trustees met in the Public Meeting Room of the Story County Administration Building in Nevada, IA to consider a change order (on file in the Auditor's Office) for replacement of an open ditch crossing in Drainage District Richland #20. Members present were Rick Sanders, chair, Martin Chitty, and Lauris Olson. Also present were County Engineer Darren Moon and Drainage Clerk Scott Wall.

Sanders called the meeting to order at 9:45 a.m.

Wall said there is an ongoing improvement project in Richland #20 involving a straightening and reshaping of the open ditch. The ditch work necessitated the removal of a private crossing on the west main open ditch and the contractor has submitted a change order (attached) requesting an additional \$5,757 to replace the crossing. It is visible in the county's aerial photography (attached) but not readily apparent from ground level.

Moon said he had not been aware of the crossing despite its proximity to 220<sup>th</sup> Street.

Chitty moved, seconded by Olson, to approve Change Order #1 to reconstruct a private ditch crossing in Richland #20. Motion carried unanimously (MCU).

Chitty moved, seconded by Olson, to adjourn. MCU. Meeting adjourned at 9:48 a.m.

Respectfully submitted,

Scott T. Wall
