

DRAINAGE MEETING
JOINT DISTRICT HAMILTON #138-STORY #2
APRIL 11, 2017

The Hamilton and Story County Drainage District Trustees met in a telephone conference call in Conference Room A of the Story County Administration Building to consider a levy for deficiency against Joint Drainage District Hamilton #138-Story #2, Hamilton County controlling. Members present were David Young, chair, Doug Bailey, and Dan Campidilli of Hamilton County and Rick Sanders, Martin Chitty, and Lauris Olson of Story County. Also present were Hamilton and Story County Drainage Clerks Lori Klobberdanz and Scott Wall.

Young called the meeting to order at 8:30 a.m. and said Hamilton #138-Story #2 had two repairs in 2016 (on file in the Auditors' Offices) that put the district fund into the red necessitating a levy. Hamilton County is proposing a 44% levy, which will leave the district with approximately \$2,000 after expenses, enough to cover one typical repair.

Sanders said the levy approval sheet (attached) states that \$12,784.73 is needed and the levy will generate \$12,915.29. How does that give us a \$2,000 carryover?

Young said there was about \$2,000 in the fund prior to the repairs being made.

Sanders moved, seconded by Campidilli, to levy Joint Drainage District Hamilton #138-Story #2 at 44% of its original assessed value, said assessments to be due and payable on or before September 30, 2017. Motion carried unanimously (MCU).

Sanders moved, seconded by Bailey, to adjourn. MCU. Meeting adjourned at 8:35 a.m.

Respectfully submitted,

Scott T. Wall
