- **How to Participate in Meeting Discussions**
If you would like to watch a meeting as it happens and participate in the discussion, you can do so via Zoom (www.zoom.us). Zoom is a videoconferencing platform that works across different internet-enabled devices and standard telephones. Meetings that are being held via Zoom will have information at the top of the agenda regarding how to find the meeting in Zoom. Each meeting is assigned a meeting ID (sometimes called a “webinar ID”) that you will need to use to access the meeting.

 - Meeting participants will be able to watch and hear the meeting as it takes place. For portions of the meeting where public input is accepted, participants interested in speaking can press the button called “Raise Hand.” This will notify the staff that you wish to speak. When it is your turn, staff will announce your name and notify you it is your turn to speak.

Call-in telephone numbers are provided at the top of each meeting agenda (you can select from any of the phone numbers.) Unless otherwise indicated, the number is a long-distance phone number; charges may apply depending on your telephone provider. Once you have dialed the telephone number provided, you will be prompted to enter the Meeting ID number (found on the agenda).
 - During the meeting, you will be able to hear the discussion live, but will not be able to see any content (e.g., maps, text, or other visual materials) that may be displayed for video conference users.
