Wall made a motion to approve the minutes as presented. Second by Schwickerath. All voting members voted "Aye" and the minutes were approved.

GIS Projects for 2019

Boeck reviewed some upcoming projects and goals for 2019

GPS and Esri Collector App projects
- Nevada Township Cemetery (Mound Cemetery)
- Colo – city utility mapping and CAD data conversion
    o Gilbert and Zearing as well
- Story County Trails
    o Review data from Rick Dietz and existing data
    o Put in Computer Aided Dispatch software
- Script Cleanup
- Conferences
    o ITAG
    o Esri UC
- NG911 advisory panel
- ArcGIS Pro

Other continuing map printing projects

Department Reports

County Assessor – Sent out assessment notices last Friday and have received a few phone calls already

City Assessor – Finishing up notices. Henschel has been adding some new layers to Pictometry site

GIS Coordinator – Will work with Schneider to get 2019 values on Beacon.

Auditor – Splits, combines, some new subdivisions (will not have data in them until July/August)

County P&D – Had a de-annexation for Story City, some conditional use permits

County Engineering – Worked with Boeck to scan some documents, some roads are closed

County Recorder – They are now full staff, worked with Boeck to scan in some large format documents

Emergency Management – Working with Iowa Homeland Security – damage assessment app, will work with Boeck to set up necessary ArcGIS Online logins, Boeck will complete Tier II changes and update maps

Health – CAFO map printing and other tasks, inspections

911 – Amanda Roush did not attend the meeting due to a conflict, but wanted to share that Harris/Racom has been chosen for the P25 radios system. The goal is to have a contract signed by end of April.

Ames Engineering – Working with Fire Dept for an online permitting app, doing Fire Station analysis, going to Esri Developer's summit, looking at drones (mapping, construction, inspection), looking at ArcGIS Workforce

Ames Electric – Taking OMS training, 3 weeks from now will have advanced training, analyzing GIS data quality, will upgrade to ArcGIS 10.6 soon

Old Business
