What is the Animal?

Trail Tracks Detectives!

Visit one or all of the listed parks and find the first clue at the trailhead. Follow the clues around the trails and write down your observations and answers in your detective booklet. Can you solve the animal track mysteries? Don't forget to do a track rubbing at the end!

Tools you should bring:

- This detective booklet
- Something to write on (clipboard, or notebook)
- A pencil
- A rubbing crayon

Don't forget to check our "Online Learning Resource" page for additional tracking trails, activities and videos!
