                    March 16, 2021

The Board of Supervisors shall prioritize its potential tax increment financing (TIF) revenues using the following criteria as applicable:

- To fund eligible projects approved in the County's Capital Improvements Plan (CIP) which would otherwise be funded by General Fund dollars
- To fund eligible County projects in lieu of increasing general obligation debt
- To fund eligible County projects that meet the goals of the Strategic Plan
- To assist other taxing entities in the Urban Renewal Area with community improvement projects using the guidelines in this document.

The Story County Board of Supervisors developed this process and policies to establish structure and objectivity to the standard operating procedures for evaluating economic development projects. Establishing standard procedures and a framework for incentives ensures that the County's financial resources are used as efficiently and effectively as possible while limiting the impact to public budgets. Funds may or may not be available in any given year.

## Tax Increment Financing (TIF) goals, objectives and strategies

TIF assistance in Story County will be used to enhance the taxpayer's enjoyment of the county and/or to increase the taxable valuation of lands in Story County. Story County established the Urban Renewal Area Program as the formal mechanism in which to receive applications and determine funding awards as applicable. It is with the goal of **community improvement** in mind that we have developed the following criteria for evaluating proposals through the Urban Renewal Area Program using TIF assistance in Story County, Iowa:

### 1. Percentage Limitation

In order to maintain appropriate and consistent tax revenues for all taxing entities, TIF (revenues collected) debt payments should not exceed 50% of the available TIF increment created by the TIF property in any year. This limitation is set to realize the needs and obligations of the general fund, townships and school districts and to ensure that the utilization of TIF will have minimal impact to their ongoing operations.

### 2. School Funding Recognition

The County will recognize any changes to State funding capabilities and reevaluate the Economic Development Process and Policies (TIF policy) should the State change school funding formulas.

## Eligibility Requirements

1. The following types of Economic Development projects will be considered through the Urban Renewal Area Program TIF assistance:
  - a) Transportation Infrastructure Enhancement

- b) Public Land and Trail Improvement
  - c) Communication and Utility Infrastructure Expansion
  - d) Main Street and Town Center Revitalization
  - e) Housing Development, Rehabilitation, and/or Conversion
2. **No Tax Increment Rebate, Grants, Loans or Assistance to Private Business.** Story County will not use TIF funds to participate in any direct disbursement or rebate to a private entity.
  3. The Board of Supervisors may deny a request for TIF assistance if, in the Board's opinion, the applicant has other funding avenues at its disposal with which the project could be funded.
  4. **Required Match Guidelines.** It is expected that applicants identify a match of 25% of the total project costs.
  5. **Required Attendance at Pre-Application Conference.** In order to be deemed an eligible applicant, potential applicants must attend the Pre-Application Conference as describe in Step 1 in the Economic Development Project Process section.
  6. **Number of Applications Per Organization.** Only one application is allowed per organization per grant cycle. If an organization submits more than one grant application, all applications submitted by that organization will be deemed ineligible for grant funds and will not be reviewed.
 

Exception: The Board of Supervisors reserves the right to allow more than one application per organization per fiscal year, if in the opinion of the Board of Supervisors, it is in the best interest of the County and potential applicant and necessary due to extenuating circumstances beyond the control of the potential applicant.
  7. **Incomplete Applications or Applications Received Past Deadline.** To ensure fairness for all, applications that are incomplete, do not follow the guidelines, whose representative did not attend the Pre-Application Conference, or miss the deadline will not be reviewed.
  8. The Board of Supervisors may consider a request outside of the deadlines upon accepting a justification from the applicant.

## Evaluation Criteria

Applications are evaluated on strength of the project relative to community benefit; community support and partnerships; and project feasibility, schedule and budget. Meeting policy guidelines or other criteria does not guarantee the award of financial assistance. Furthermore, the approval or denial of one project is not intended to set a precedent for approval or denial of another project.

## Economic Development Project Process

The following **standard operating procedure** applies to project requests for economic development funding through the *Urban Renewal Area Program*:

**Step 1 - Pre-Application Conference** (*prior to the Third Tuesday of April – Annually*). Annually, County staff will hold an information session to review application forms, timeline, and procedures.

**Step 2 - Application Deadline** (*First Tuesday of June – Annually*) This is the information gathering stage of a project which will provide the foundation for subsequent decision making by the Board of Supervisors. As part of the evaluation process, the Auditor shall prepare a report showing the status of all TIF projects, monies expended and monies owed on current TIF projects so that the Board of Supervisors can evaluate the funds available for all proposed projects. Further, the Board of Supervisors recognizes the importance of citizen input on proposed projects and will post all applications for projects on its website prior to decisions on the project so that the public may review the applications and prepare for any comment at weekly meetings of the Board of Supervisors.
