The Story City NPDES permit is being amended to revise the copper monitoring frequency and the copper limit. The copper compliance schedule will be removed and the final limits will become effective with the issuance of the final permit.

Anyone wishing to comment on or object to the proposed amendment of this permit must do so in writing within forty-five (45) days of the date shown at the top of this notice. All comments received will be considered in the final determination. If no objections are received within forty-five (45) days, the Department will issue a final permit. You may request the Department hold a public hearing by submitting a written request stating specific reasons why a hearing should be held.

Comments, objections, and requests for hearings may be submitted online using the Wastewater Permit Information Exchange system at <https://programs.iowadnr.gov/wwpie/>. Comments, objections, and requests for hearings may also be addressed to the: Iowa Department of Natural Resources, NPDES Section, 502 East 9th Street, Des Moines, IA 50319.

Copies of the proposed permit and other information may be viewed on WWPIE at the web address noted above. This information is also on file and available for public inspection from 8:00 AM to 4:30 PM Monday through Friday at the above street address. In addition, copies of this information may be requested by calling Marlon Mueller at (515) 725-8410 or e-mail at [marlon.mueller@dnr.iowa.gov](mailto:marlon.mueller@dnr.iowa.gov).
