

FREEDOM DAY

"Giving a Day of FREE for a
Lifetime of FREEDOM"

Dear Veteran,

I would like to acknowledge your organization for your long standing support of our military veterans and their families. I would also like to introduce you to a national movement that our office is proud to be a part of.

Freedom Day USA is a day where businesses across our nation will join together to show their appreciation to the members of our armed services and their immediate families, and our veterans, by providing a Day of Free. We are taking this opportunity as community members to give back, say Thank You and show our gratitude for our service members' sacrifices. This year our office celebration will be held on **November 9th 2018.**

Ames Family Dental will be providing the following services: fillings, cleanings, x-rays and extractions on November 9th from 8am-3pm.

Please call and reserve your time with us. Limited times available.

I would appreciate your help in reaching the veterans, active military and law enforcement in our community that have limited access dental insurance so they may benefit from the free services and products provided by our office.

Please feel free to contact me at 515-233-2898 or afd2625@gmail.com

Thanks in advance for your support in ensuring this exceptional event day is a success!

Thank you,
