**RE: First Supplement to Construction Permit CP-A2019-004
Richland 10 Site
Facility ID # 70728
Story County**

Dear Mr. Ritland:

Construction Permit CP-A2019-004 issued on January 24, 2019 to "Long View Pork, LLC" is hereby amended to include the following changes:

- Revise the two confinement building dimensions from 101'10" x 200' to 71' x 281'. The proposed confinement barns will still have 8' deep concrete pits and the buildings orientation will remain the same. A revised CDS has been submitted along with revised site plan showing new barn dimensions.

No other change is proposed and the approved animal numbers on site shall remain at:

1. 5000 head of swine finishers in confinement. 2000 AU.

If you have any questions regarding this supplement of your construction permit, please contact Paul Petitti at 712/262-4177.

Sincerely,

PAUL R. PETITTI, P.E.
