

## Public Notice

### Antidegradation Alternatives Analysis for the City of Nevada, Iowa

Notice Date: May 30, 2019

Notice is hereby given that the City of Nevada, Iowa has completed a draft antidegradation alternatives analysis for discharge of treated wastewater to West Indian Creek. The action being considered is construction of an activated sludge with enhanced biological phosphorus removal wastewater treatment facility to replace the existing wastewater treatment facility at a new location. West Indian Creek is protected for Class A2 secondary contact recreational and B(WW-2) warm water beneficial uses.

Anyone wishing to comment on the proposed treatment alternative must do so in writing within 30 days of the date shown at the top of this notice. Comments may be submitted to Michael Roth by hand delivery, mail or email: Michael Roth, 5525 Merle Hay Road, Suite 200, Johnston, IA 50131, [mroth@hrgreen.com](mailto:mroth@hrgreen.com).

Copies of this notice, the draft antidegradation alternatives analysis and supporting information are on file and available for public inspection from 8:00 AM to 5:00 PM Monday through Friday at Nevada City Hall, 1209 6<sup>th</sup> Street, Nevada, IA 50201. Copies of this information may be requested by contacting Michael Roth at 515-657-5304 or the above email address. The City will submit a summary of comments received and the City's responses to the Iowa Department of Natural Resources with the final alternatives analysis subject to IDNR review and approval.
